

MONROE COUNTY COMMUNITY COLLEGE IN CONJUNCTION
WITH THE MONROE AGING CONSORTIUM PRESENTS

“Happiness: The Real Key to Success”

**A Presentation by Soulful Speaker, Movement
Motivator and Energetic Educator**

Petra Kolber

Thursday, August 17, 2017

7:45-9:15 a.m.

Monroe Bank and Trust
102 E. Front Street
Monroe, MI 48161

Petra Kolber moves people, organizations, audiences, and teams from happy, to happier, to happiest. In other words, she raises happiness and revenue, one keynote at a time! Think of happiness as interval training for the ups and downs of work and life and Kolber as a faithfully committed courage coach for change! Kolber believe happiness is an active sport and that smiling is an act of courage. She believes that our thoughts drive our life and that the thought of not doing “it” perfectly can stop us in our tracks. Everything begins with a thought, and Kolber helps people choose, believe and fuel their lives with the good ones.
