

IMPORTANT NOTICE REGARDING MCCC STUDENT E-MAIL ACCOUNTS

If you have not done so already it is time to start using your MCCC student e-mail account. Monroe County Community College will expand the use of MCCC-assigned student e-mail accounts for communication with students. All currently enrolled credit students have an account waiting to be activated. As well, new and re-enrolling students, will be assigned student e-mail accounts.

To log on to your MCCC student e-mail account: Go to www.monroecc.edu, then click on the “Student E-mail Accounts” box at the bottom of the home page and follow the directions.

Below is a summary of the many types of communication that will now be sent through the new student e-mail system:

- Information on classes that utilize MCCC’s Blackboard E-Learning system.
- Reminders of impending tuition payment deadline dates.
- Course waitlisting notifications and approvals.
- WebPAL registration and payment confirmation and password resets.
- Library notifications, including overdue books and fines, books placed on hold that are available for pickup, service announcements and updates, and new book updates.
- Financial aid correspondence, including missing information notifications, award letters, probation letters, student loan notifications and information, and other announcements or reminders.
- All nursing program correspondence.
- Corporate and Community Services Division notifications about the Whitman Center, campus and community events, the Fitness Center, student government/student activities, student assistant job opportunities, professional development experiences, resume/interviewing seminars and job fairs.
