**Medical Case Management (MCM)**
MESSA offers Medical Case Management (MCM), a unique program tailored to meet the medical needs of our members who may need extraordinary care if diagnosed with a catastrophic illness or injury. It is designed to help MESSA members and their families through these difficult times by providing flexibility, support and direct involvement in the management of their health care.

**MESSA Help Lines - NurseLine and Healthy Expectations**
Plan participants have access to a 24/7 NurseLine for general medical information. To access NurseLine, call 800-414-2014 to speak to a specially trained Registered Nurse who can answer your medical questions and provide health related information. MESSA's prenatal information and support program for expectant mothers is Healthy Expectations. Please call the MESSA Member Service Center at 800-336-0013 for information or to enroll. These services are not intended to replace regular medical care by a doctor or other qualified medical professional.

**Covered Services and Approved Amounts**
In-Network providers bill BCBSM and MESSA directly. Payments for covered services are based on BCBSM's approved amounts. Your liability is limited to the plan co-payment requirements. Out-of-Network providers may or may not bill BCBSM or MESSA directly. The member is responsible to the provider for any deductibles, co-payments and amounts that are in excess of the approved amount for the services as predetermined by MESSA and BCBSM. These amounts may be substantial.

- Accidental Death & Dismemberment Insurance (AD&D) $5,000
