ACCTG.AAS	57	41	16	28.1%	
APADM.AAS	17	16	1	5.9%	*If you go by number of courses or credit hours (60 required), "50% online" averages out to 10 courses. However, a couple required courses are merely 1 credit and do not seem to be offered online. So if 9 courses is then considered 50%, the ground total is 14 and online total is 3.
