I regular, furnisher in 2 months  
more, I did commence to learn to  
write German but I will stop that  
till I get through with the French  
first. I believe I wish you would  
learn to write English so you could  
write your own letters to me I  
find it is so great help to me to  
know how to write, and what I  
do know all the Court-martials over  
any of the officers in the army Court  
take it away from me, until they  
take my life, and I am so great a  
soldier for that, I am still with  
the Pioneers and will probably stay  
here until the Corps is back, and  
then I can go to my company and do  
as I have done before, face the cursed  
traitors and stay them for they me, and  
have this war done with us we can
