a fishing with a line and Bell ping them haul in their lines and see the shad that they catch and get money by them. Here in by a great money of them you can get them from 6 to 10 a piece I have bought 10 or 12 here for 2 & her than I ever saw in New York. The weather is getting to being fine here the trees are all leafed out and every thing looks lonely I saw a large patch of potatoes all ripen in now they are at work a cutting the vine there on then they begin to cut the things in to the market garden that 5 or 6 months I help you it with the beans next the doctor said this morning that he would let one that come would be discharged be fore six weeks if hope so for the good of the country but as for my part I want as like stay here as to go.
