when he comes to have said out here as much as we have it is over two weeks since we
her ordered here and haven't had no tents until that day or two a go Mr. Collins boys that have
been down the river say that they haven't had a tent in over 4 months they would lay down
on the grass or a heap of stone and sleep as sound as a doll once had orders to come here
Two weeks a go day be fore yesterday the day be fore that I went over to Washington to get the
mail and see if I could find Uncle Bill we herd that he was over there and I come home
about two o'clock and found them all ready for to march but distant ro which away we
would you do in a short time.
His orders came for us to go to
