Center till but in a short time
those orders nor Counter men
deed and one nor to the main
so until further orders and
while one nor a meeting for orders
Uncle Biske came and he went
back to Washington that same
night and was a coming over
the next morning but before
he left us that night our
orders nor to unseal and
rename where one nor until
further orders so I suppose he
thought that we would be there
in the morning yet but a
bout three in the morning we
her Routed out and Harness
up and came over here
get here about on our after
sun rise and expected to
have an Engagement right
off but haven't had then with
in 3 miles of here untill
