None he looked at them and said that he hasn't been sick since he started. Their corpse in on the ad Space. They are five miles from here on the River Brakke and Bever.

Come out a about one year ago and I came out about two and they have been in fight and I never have been in an engagement yet but no telling how soon I may be one bullet Day. See here the running of the cannon out on the Front but not much fighting going on. They don't call it a fight now days unless there is done one or five thousand killed or wounded on each side. Letter if want to have dinner this before but on Sunday last I had to quit for out orders to get ready to move so I had to stop writing till on a Monday morning.

My teeth began to ache and my face began to swell and it kept a swelling until Wednesday night and then the tooth
