Could you we did not go so heavy in North Carolina but still we took all that we wanted to eat. You can bet on that. This state is more loyal so it would not do we shall stay here some three weeks and we shall start off again somewhere. I should be willing to keep a going all the time. So as to have this war done with. It looks to me as if this war could not last much longer. Billy Sherman is the Hag to fight the rebels he does not the rebels much rest that suits me. First rate you will not see me up there neither this
