Such write but suppose that they something else to do. The rest is all on Picket to day. Do I do not have any thing to do but write you. Speak of this War coming to be close down it does look more like it was than it has for a long time before but I still think that I shall have to stay my time out for they will keep a standing army for a long time for they will keep the Volunteers time they got enough of regulars and that will be done. Six or Eight months after Peace is declared for you see that we are good for.
