Camp at Cedar Bluffs March 26
There is another mango in camp that we shall be sent to salt lake. Yet this lead it may we shall go to Leavenworth first, and I cannot believe that after being ordered 700 miles farther from Utah we are to be ordered back very soon. From Leavenworth to Salt Lake it is about 1,000 miles. Were we ordered back to Salt Lake it would give us a march of 1,800 miles.
