We are well as common. The children are growing fast and doing well.

We have a very hard winter. We have yet to amount to anything. It is now raining very hard, and there is a good deal of snow. If I could write, my hands are very sore and the thas. So much to do that the and one, and I hope you will excuse her not write again. Give our respects to all of the friends and tell mother that we haven't forgotten her yet. Our respects to her.

Yours truly, in haste, Hines and L. H. Fall.

I see an article in the paper that states that Royal was in the 18th Michigan Regiment. I should like to know how it is with you. So,
