you can tell James if he wishes to write to Mr. Earl, to direct as you do except the letter should be J instead of E as I wanted to know if Josiah knew how to direct to.

I would like to know how many apples & potatoes you have and how the corn is like to turn out. As our course seems to be onward now I shall necessarily have to write at times if I can. You must write often. Hope for the best, pray for our reunion in time, and then again in Heaven and you shall have my fondest regards with a kiss.
