2019 Book Selection Reveal

Join us on Thursday, September 27 for the reveal of the 2019 One Book, One Community selection. Be among the first to know which book will captivate readers from young adults to seniors. The highlight of the evening will be a dramatic reading from the 2019 selection.

Enjoy light refreshments, pick up a discussion guide, and also learn how to become a Friend of the One Book, One Community project and promote the joy of reading.

Door prize drawing: Free copy of the 2019 selection.

This event is co-sponsored by Monroe County Community College and the Monroe County Library System.
