

BLENDDED COURSE INFORMATION

Fall 2017 Semester

COURSE: MATH 160 B1

INSTRUCTOR: M. Dubois

Math Applications in Engineering Technology

EMAIL: mdubois@monroeccc.edu

There are many benefits of **Blended** courses at MCCC:

- Less restrictive scheduling
- Convenience
- Intensive self-study
- Course materials are accessible 24 hours a day 7 days a week

Since **Blended** courses require work on the computer using Blackboard, as well as classroom work, students should possess the following skills to be successful:

- Highly self-motivated
- Have strong computer skills
- Possess good time management skills
- Know how to study independently
- Possess good communication skills

Blended classes at MCCC deliver instruction in a web-based format, along with periodic face-to-face classes as established by the instructor.

When taking a **Blended** class students are responsible for:

- A reliable computer with Internet access and Microsoft Word; course specific software will be described below
- Knowing how to email attachments
- Maintaining their own computer and Internet connection; technical issues are NOT acceptable excuses for not keeping up with due dates
- Having access to a printer, if needed, for personal use of online materials

It is also the student's responsibility to log into Blackboard on a regular basis. It is essential to log into Blackboard regularly to keep up with communication and assignments.

Blackboard

Blended courses use Blackboard course management system as the means of communication between the students and the instructor, along with periodic face-to-face class meetings as established by the instructor.

It is the student's responsibility to be able to log into Blackboard and maintain his or her computer setup to work properly with Blackboard.

The Blackboard Login can be found on the College's webpage, www.monroeccc.edu. Information on student usernames and passwords can be found on the Student Support tab on the Blackboard site.

Blackboard courses are made available to students on the day the course begins.
Please see the Start Date below.

MCCC Student Email

ALL students are required to use their MCCC sponsored student email address. Information on the MCCC student email can be found on the Student Support tab on the Blackboard site.
