

## ONLINE COURSE INFORMATION

### Winter 2010 Semester

COURSE: CIS 130 L4

INSTRUCTOR: Will Hilliker

Introduction to Computer Information Systems

EMAIL: [whilliker@monroeccc.edu](mailto:whilliker@monroeccc.edu)

There are many benefits of online courses at MCCC:

- Less restrictive scheduling
- Convenience
- Intensive self-study
- Course materials are accessible 24 hours a day 7 days a week

Some students struggle in an online format. Other students excel. Students who excel in an online format are:

- Highly self-motivated
- Have strong computer skills
- Possess good time management skills
- Know how to study independently
- Possess good communication skills

**Online classes at MCCC are NOT self-paced.** Instruction is delivered in an entirely web-based format. Students must complete exams, assignments, etc. by specified due dates. Some exams and assignments may be required to be completed at an authorized location as established by the instructor.

When taking an online class students are responsible for:

- A reliable computer with Internet access and Microsoft Word; course specific software will be described below
- Knowing how to email attachments
- Maintaining their own computer and Internet connection; technical issues are NOT acceptable excuses for not keeping up with due dates

It is also the student's responsibility to log into Blackboard on a regular basis. It is essential to log into Blackboard regularly to keep up with communication and assignments.

### Blackboard

Online courses use Blackboard course management system as the means of communication between the students and the instructor.

It is the student's responsibility to be able to log into Blackboard and maintain his or her computer setup to work properly with Blackboard.

The Blackboard Login can be found on the College's webpage, [www.monroeccc.edu](http://www.monroeccc.edu). Information on student usernames and passwords can be found on the Student Support tab on the Blackboard site.

Blackboard courses are made available to students on the day the course begins. Please see the Start Date below.

### MCCC Student Email

ALL students are required to use their MCCC sponsored student email address. Information on the MCCC student email can be found on the Student Support tab on the Blackboard site.
