MONROE COUNTY COMMUNITY COLLEGE’S RECYCLING PROGRAM

We encourage you to please recycle! It is estimated that MCCC produces nearly 1 million pounds of waste a year, which equates to 500 tons. Without recycling, all of that would go into landfills. Through the MCCC Recycling Program, 43 percent of that waste will be recycled and diverted from landfills. That’s about 205 tons or 410,000 pounds.

There are four Recycling Stations in the Warrick Student Services/Administration Building.
