PROCEDURES FOR USE OF LA-Z-BOY CENTER

The La-Z-Boy Center for Business Training and the Performing Arts is owned and operated by Monroe County Community College for the primary purpose of serving as an educational and cultural resource for the College and its service area. The facilities are available for use on an individual program rental basis to all individuals, organizations, and corporations on a non-discriminatory basis for purposes that are compatible with the educational and community service goals of Monroe County Community College and in accord with its public image.

I. Usage of the La-Z-Boy Center
Reservations, scheduling of events, and billings are the responsibility of the Corporate and Community Services Division. This Facility Usage Procedure is part of the College’s Facilities Reservation Permit for the La-Z-Boy Center and the rules herein listed must be adhered to absolutely by Lessees of the La-Z-Boy Center. The aforementioned Facilities Reservation Permit and this Facility Usage Procedure are the only agreement between the parties relative to the La-Z-Boy Center, and no oral statements or other written matter shall have any force or effect. In addition, users of the La-Z-Boy Center are subject to the rules and regulations of MCCC, as well as all applicable federal, state, and local laws, ordinances, and statutes. Each permit to use the La-Z-Boy Center shall be considered a one-time contract, and no obligation on the part of MCCC for continuing or recurring use shall be construed. It shall be the responsibility of the Lessee to completely inform the proper agents or employees of Lessee concerning these rules and regulations.

A. Facility Scheduling
Reservations for the Meyer Theater only, may be accepted 12 months in advance of the event. Priorities for the use of the La-Z-Boy Center are assigned in the following fashion:

1. College Usage
   a. Use of the facility by Monroe County Community College to provide professional entertainment, cultural enrichment programs, and business training programs.
   b. Programs sponsored or co-sponsored by Monroe County Community College (such as lectures, seminars, concerts, plays, recitals, graduations, etc.).

2. Community Usage
   a. Productions, training programs, and other uses by schools, governmental units, and non-profit organizations.
   b. Use of the facility by organizations involved in profit making activities.
   c. Use of the facility by individuals.

B. Approval of Facility Usage and Facilities Reservation Permit
Sponsors must check with the Corporate and Community Services Division Office for tentative approval and hold on dates for desired program. The College will accept tentative dates from community organizations for the next academic year beginning on or near March 15. The representative of the sponsoring organization and a College representative will discuss in detail the programming involved. If usage is acceptable under operating policies, a College
representative will prepare an estimated cost of the program and
prepare and send to the sponsoring organization copies of the
Facilities Reservation Permit for signature. All copies are to be
returned to the College, whereupon one counter-signed copy of the
agreement will be returned to the sponsoring organization. MCCC
reserves the right to withhold the use of its facilities in any case
where in its judgment there is an unacceptable risk of personal
injury or damage to College property, or the use is inconsistent
with College policies or the intended purpose of the facility. The
College may refuse to rent the facility to any organization or
individual for any reason, including but not limited to: scheduling
conflicts, College priorities, or contents of a performance deemed
inappropriate by the College. Any program, exhibition, or
performance containing adult language and content must be clearly
stated in all advertising.

C. College Closing of Facility
The College reserves the right to be closed during legal holidays
and other College designated closings, both scheduled and
unscheduled, such as those resulting from inclement weather.
Facility usage scheduled during facility closing periods may be
subject to premium rental fees and overtime compensation for
personnel. If applicable, the College will inform Lessee of
overtime compensation prior to execution of the Facilities
Reservation Permit.

D. Professional Act Contract Review
In the event professional talent is utilized as a whole or part of
the program, the Lessee certifies and attests that they have a
valid, properly executed, and compatible contract with the
performers whose services form the basis for their desire to rent
the facility. The Lessee shall submit to Lessor upon demand a copy
of said contract and technical rider with the Lessee to inform the
talent management of any or all regulations and restrictions
specified in this Facility Usage Procedure.

II. Basic Provisions

A. Lessee Accepts Facility As Is
Lessee agrees to leave building and equipment in same condition,
less normal wear and tear. Lessee agrees to pay on demand for all
damages or injury done by Lessee or patrons to the facilities, and
the College may apply the deposit and Ticket Office receipts (if
deposit is not sufficient) for damages or injury, notice thereof
having been given to Lessee.

B. Services Provided
The College shall provide the lessee space(s) with heat, air
conditioning, house lights, customary janitor service, normal stage
equipment inventory such as lights, curtains, spotlights, etc.,
depending on the requirements of the event(s). All additional
services are the responsibility of the lessee and, if provided by
the College, are subject to the College’s posted fee schedules.
Lessee shall furnish the College with detailed technical
requirements not later than three (3) weeks prior to the beginning
of the rental period.
C. Concurrent Use
The College reserves the right to conduct normal business and to rent other parts of the facility at the same time as the rental of said premises to the Lessee.

D. Sublet/Use of Facility
Lessee may not sublet any rented space(s), or in any way assign the rented space(s) to any other person or organization. Lessee may not utilize the rented space(s) for any purpose other than that which is specified in the agreement.

E. MCCC Right to Enter
The La-Z-Boy Center building and premises, including keys thereto, shall, at all times, be under the control of the College. The La-Z-Boy Center staff, MCCC Maintenance Department, and MCCC Campus Security shall, at all times, have the right to enter any and all areas occupied by the Lessee. The presence of MCCC Campus Security during an event for which a Facility Usage Agreement has been issued does not in any way diminish the Lessee’s responsibility to pay for damages to the facility or to equipment contained in leased premises when damages occur in conjunction with the event. Lessee may, at its option and expense, request additional MCCC Campus Security personnel for the express purpose of guarding equipment owned by or under the control of the Lessee. However the presence or lack of additional security personnel shall not alter the fact that the College, under the terms of the Facilities Reservation Permit, assumes no liability for the loss, theft, or damage to the property of the Lessee or the Lessee’s exhibitor.

F. Indemnity Disclaimer
The Lessee shall indemnify and save and hold harmless Monroe County Community College, its Board of Trustees, officers, agents, and employees from and against any and all claims, demands, actions, or clauses of action, costs and penalties of any nature or character arising out of or relating to the performance or nonperformance of the rights, duties, and obligations arising from Lessee’s use of the La-Z-Boy Center, including by way of example only and not of limitation, any royalties, fees, fines, and or penalties required to be paid in accordance with applicable copyright laws or any copyright license agreement; right of privacy, or other common law right of person, firm or corporation; the defamation of any firm, person or corporation; any loss and/or damage to the La-Z-Boy Center caused in part or whole by the Lessee and/or patrons of the Lessee’s event; all claims, losses and damages of any kind or nature arising from or in any way connected with this agreement.

G. Public Liability Insurance
Lessee shall cause to be issued and be effective for the period of any activity covered under this agreement a policy of general public liability insurance drawn by an insurance company licensed to do business in the State of Michigan insuring against claims for personal injuries or death or damage to property occasioned by accident occurring upon, in or about College premises which is in any way related to the performance or activities associated with the performance or to the Lessee’s occupancy hereunder. MCCC and Lessee shall be named as co-insured on said policy. Such policy of insurance shall provide coverage in the amount of not less than Five
Hundred Thousand Dollars ($500,000) for injury or death to any one (1) person and One Million Dollars ($1,000,000) for injury or death to any number of persons arising out of any one (1) accident or occurrence and not less than One Hundred Thousand Dollars ($100,000) for property damage arising out of any one (1) occurrence. As proof of insurance, a certificate of insurance shall be placed on deposit with the Lessor not later than ten days before the first performance. Receipt of the required certificate of insurance on or before the required date is a condition precedent to the Lessor’s ability to perform any and all obligations under this lease. The obtaining of insurance shall not in any way relieve Lessee from any of the obligations, liabilities, assumptions, responsibilities, or other contractual duties referred to in this Facility Usage Procedure, regardless of the coverage mentioned in such insurance or in terms of the policy or policies involved.

Should it become necessary in the judgment of the College to evacuate the premises because of a bomb threat, fire, or for other reasons of public safety, the Lessee when the premises is re-opened, will retain possession of the premises for sufficient time to complete presentation of activity without additional rental charge providing such time does not interfere with another Lessee or College program. If at the discretion of the College, it is not possible to complete presentation of the activity, rental charge shall be forfeited, prorated, or adjusted at the discretion of the College based on the situation, and the Lessee hereby waives any claim for damages or compensation from the College. If event is rescheduled at a mutually convenient time, Lessee will pay normal rental charges but will not have to pay any additional fees or charges and the Lessee will hereby waive any claim for damages or compensation from the College.

O. Cancellation Due to Special Circumstances
The College shall have no liability to Lessee for failure to perform any terms or conditions of the facility usage if such failure is attributable to labor difficulties, strike, civil disturbances, or tumult, or any other activities (whether or not the conduct of any party to such dispute or controversy, or of any participant therein, is deemed or held by final order to be reasonable, lawful or unlawful), fire, accident, power blackouts and/or reduction, loss of other utilities, epidemics, war conditions, acts of terrorism, acts or regulations of public authorities, acts of God, force majeure, or any other causes, similar or dissimilar, beyond the control of the College.
P. Cancellation by Lessee
In case of cancellation by the Lessee, it shall be the responsibility of the Lessee to make reasonable public announcements, at Lessee’s expense, as soon as possible concerning the cancellation. The College reserves the right to make such announcements at the cost of the Lessee.
