Narrative:

Student:

While on routine patrol at approx. 08:00 Officer observed MTFD and AMR Ambulance at the S/W doors of L building. Upon arrival at that location I found them treating student in the hallway at L-111. I had no patient contact, but was advised that student has had an ongoing medical condition and that after arriving on campus this morning she felt worse and had called for assistance.

Student appeared alert and oriented. She was transported to Mercy by AMR.

Nothing further at this time.
