Incident: Complainant states that the listed vehicle was parked in lot two, between 11:00 am & 1:30 pm. Upon returning to her vehicle she observed the gas cap door open the gas cap was not secure.

Complainant states she left the campus & returned at approximately 5:30 pm. Complainant parked in lot four. Upon returning to her vehicle she noticed that her change was out of place & a paper that had been under the seat was now near the radio. Complainant does not remember if she locked the vehicle & is not sure if the vehicle was locked when she returned to the vehicle.

Complainant advised nothing was taken. Complainant advised she spoke with other students who told her the parking lot was very busy, but did not see any activity related to this incident.

Complainant reported this incident by phone.
