MACRAO AGREEMENT

The MACRAO Agreement is an agreement between Monroe County Community College and many Michigan four-year institutions. Depending upon the institution and the program, satisfying the requirements of this agreement could allow a student greater flexibility in meeting general education requirements at the four-year institution.

6 semester hours of English composition

8 semester hours of humanities (courses must be taken in more than one discipline and must not include English Composition)

8 semester hours of social science (courses must be taken in more than one discipline)

8 semester hours of natural science 1) At least one science must have a lab, 2) One of the sciences may be Math (151 or above) and 3) Science courses must be from more than one discipline

Courses which are not transferable (i.e., technical, vocational or developmental) are not part of the agreement. For additional information, or to request a MACRAO agreement evaluation, please contact the Registrar’s Office.

OCCUPATIONAL CERTIFICATE AND DEGREE PROGRAMS OF STUDY

Individuals completing a prescribed course of study in one of the career program areas will receive an associate of applied science or associate of commerce degree. See the instructional programs listing for a detailed description of the programs offered.

Individuals who wish to upgrade their knowledge and skills or prepare for new areas of employment may choose from a wide variety of course offerings. Special sequences of courses may be designed to meet these objectives. Students should consult with an appropriate faculty member, administrator or counselor.

Described in detail in the instructional program listing, the following is a list of career/occupational degree and certificate programs available.

CERTIFICATE PROGRAMS
A certificate of completion will be granted upon completion of certain specialized certificate programs. Certificate programs are listed in the career program listing.

TRANSFER AND PRE-PROFESSIONAL OPTIONS
The university parallel and pre-professional programs are designed for the students who will eventually finish their education at a four-year college or university. Typical programs are discussed in the Transfer Options section of this catalog (pages 47-50). Credits earned in the parallel or pre-professional programs are generally transferable to four-year colleges and universities if the credits meet the following criteria:

1. Satisfactory grades. Grades of “C” or better are necessary for a student to transfer the course to most colleges or universities.
2. Proper selection of courses. A student must select courses designed for college transfer which are consistent with the requirements of the school to which the student plans to transfer. Since no two schools have identical requirements, students should consult with their faculty advisor or counselor to discuss any questions regarding specific programs.

Students following a transfer guide provided by a particular four-year college can complete the first two years of a baccalaureate program at MCCC. In addition, students fulfilling appropriate graduation requirements of Monroe County Community College will be eligible to receive an associate’s degree.

BACHELOR’S DEGREE COMPLETION AGREEMENTS

2 + 2 Agreements
Monroe County Community College has developed articulation agreements with a number of four-year colleges and universities. These agreements (sometimes called 2 + 2 or bachelor’s degree completion agreements) provide students who are pursuing one of Monroe County Community College’s specific two-year associate’s degree programs an opportunity to continue their studies and complete the requirements for a baccalaureate degree. Those agreements provide that the student will be able to transfer 60 semester credit hours from one of Monroe County Community College’s associate’s degree programs toward selected bachelor’s degree programs at the four year institution. At the time this catalog was printed the following colleges and universities have 2 + 2 articulation agreements with Monroe County Community College (the MCCC programs are in parenthesis):

Central Michigan University
B.A.A. - Administration
B.S. - Administration
B.S. - Community Development
(A.S. - Pre-Business)

Eastern Michigan University
Applied Technology
(most technology programs)
Construction Management
(Construction Management Technology)

Ferris State University
Allied Health Sciences
(Business Leadership and Quality Management, Nursing and Respiratory Therapy)
Technology Programs
(most technology programs)

Lourdes College
B.B.A.

(A.A.S. - Electronics Technology)
B.E.T. - Mechanical Engineering Technology
(A.A.S. - Manufacturing Technology)

3 + 1 Agreements

In addition to the number of bachelor's degree completion agreements MCCC has with many four-year colleges and universities, MCCC also has articulation agreements with Siena Heights University, Eastern Michigan University and Madonna University that give students the opportunity to transfer more than 60 credits of MCCC coursework for specified degree programs at both of these universities. Eastern Michigan University's "3 + 1" agreements with MCCC apply to EMU's bachelor's degree programs in construction management and applied technology. The agreements with Siena Heights University create the added benefit of taking all or most courses at MCCC's main campus for bachelor's degree programs in business administration, accounting, applied science, psychology and general studies. The agreement with Madonna University leads to a bachelor's degree in Criminal Justice.

Students interested in obtaining specific information regarding any of the special programs should contact a counselor in the Monroe County Community College Admissions and Guidance Office.

Cooperative Agreements

Monroe County Community College has cooperative agreements allowing students to complete components of certain programs at the college and the remainder of these programs at participating community colleges. Such agreements exist in the following areas: General Sonography – Jackson Community College; Cardiac Sonography – Jackson Community College; Vascular Sonography – Jackson Community College and Radiography – Washtenaw Community College.

Students interested in obtaining specific information regarding any of the above programs should contact the Health Sciences Division office at MCCC at 734-384-4102.
