For 4-year institutions, retention rate is the percentage of part-time, first-time bachelor's (or equivalent) degree-seeking undergraduates from the previous fall who are again enrolled in the current fall. For all other institutions retention rate is the percentage of part-time, first-time degree/certificate-seeking undergraduates from the previous fall who are again enrolled in the current fall.

This table presents data collected from Title IV postsecondary institutions in the United States. Prior to Fall 2010, the data include only Title IV primarily postsecondary institutions.
