

Adopted by the Monroe County Community College Board of Trustees on September 24, 2018:

The Board of Trustees certifies that Monroe County Community College not only meets but exceeds the best practice standards required by Section 230 of Michigan Public Act 265 of 2018, the education omnibus appropriations act for fiscal year 2019, as the following table demonstrates.

MCCC Adherence to Best Practices Grid (PA 265 of 2018)

Best Practices by Category	Examples of MCCC Adherence
Category A, economic development and business or industry partnerships	
<p>(i) The community college has active partnerships with local employers including hospitals and health care providers.</p>	<p>Area employers participate on academic program advisory committees and provide student clinical sites for occupational and non-credit training programs.</p> <p>The college developed specific courses, certificates, and programs to meet direct needs as identified by business and industry. Examples include the NUET (Nuclear Engineering Technology) program and the Heavy Construction Management program developed in concert with DTE Energy. In addition, the College developed the Non-Destructive Testing Certificate and additional content for the Information Assurance and Security degree program in concert with area business and industry and local and regional labor market demand. Recent examples include the Practical to Registered Nursing program and the Agriculture program (in partnership with Michigan State University). In addition, the College totally revised the Early Childhood Education program. The program was awarded initial accreditation by the National Association for Education of Young Children (NAEYC) 2018, for the maximum period of seven years. The Graphic Design program introduced a number of additional stackable certifications in response to employer demand.</p> <p>MCCC Health Science programs partner with numerous clinical agencies (hospitals, long-term care facilities, community-based and outpatient clinics) to provide students a realistic environment for student learning. Clinical and community partners serve on advisory committees for two major programs within the division, Nursing and Respiratory Therapy. Many MCCC graduates transition to employment positions within these clinical agencies post-graduation/licensure.</p>

<p>enrollment, direct credit, middle college, or academy programs.</p>	<p>transferable college credit hours or an associate's degree and/or a certificate. Seventy-eight percent of the 2018 graduating class completed 60 or more credits and/or an associate's degree.</p> <p>MCCC offers dual enrollment that allows high school students to attend MCCC classes and earn college credit while still attending high school. Over 800 high school students are participating in Dual Enrollment during the fall 2018 semester. MCCC's "Direct College" program, launched in 2014, offers dual enrollment courses at seven (7) high schools. Participating high schools include Britton Deerfield High School, Carlson High School (Gibraltar), Dundee High School, Mason Senior High School, Monroe High School, Jefferson High School, and Whiteford High School.</p> <p>MCCC's Admissions Office schedules recruiting visits to area high schools and education fairs throughout Monroe County, southern Wayne County, and Lucas County in Ohio. The team visited all 11 Monroe County high schools (at least twice each), 10 out-of-county high schools, 6 college/education fairs throughout southeast Michigan and northwest Ohio, and participated in recruitment, information and orientation programs for dual enrollment, veterans' programs as well as with Michigan Works!, The Monroe County Learning Bank, and the Monroe County Counselors Association.</p> <p>Over 250 seniors and 100 sophomores from local high schools toured the MCCC Campus in 2017-2018. In April 2018, 400 members of the Monroe High School junior class took the SAT, the standardized test widely used for college admissions, on the MCCC campus.</p> <p>For the Fall 2018 Semester, MCCC enrolled 23 percent of the 2018 Monroe County high school graduates.</p>
<p>(ii) The community college hosts, sponsors, or participates in enrichment programs for area K-12 students, such as college days,</p>	<p>Monroe County Community College, in cooperation with The Monroe County Counselors, hosts a College Night featuring admissions representatives from more than 60 colleges and universities who are available to answer questions and provide information about their respective institutions. Grant, loan and scholarship professionals are also in attendance. In addition, a Transfer Fair is hosted annually at the Whitman Center, located in southern Monroe County.</p>

Best Practices by Category	Examples of MCCC Adherence
<p>summer or after-school programming, or Science Olympiad.</p>	<p>MCCC offers FUNdamental Summer Camps each year to area K-12 students. Summer 2018, the college offered 27 sections of 17 different camps and enrolled 486 students.</p> <p>One Book, One Community encourages participation of K-12 students (four area high schools participate each year) through book clubs, book discussions, author lectures, and creative writing workshops.</p> <p>MCCC hosts visiting artists each semester and their exhibitions and gallery talks are open to the public.</p> <p>Additional enrichment activities for K-12 students hosted by MCCC include Financial Aid Information Sessions, X-Tech, Dual Enrollment Information Sessions, Annual College Decision Day, and lung dissection presentations at area schools.</p> <p>The College hosted the first MCCC Farm Tour & Field Day on September 6, 2018. The one-day event, made possible by a collaborative working group including MCCC, Monroe County Farm Bureau, USDA NRCS, and the Agricultural Council, featured educational sessions on soybean and cover crops. The audience included a diverse mix of researchers, local farmers, industry representatives, and MCCC agriculture students learning about the research and data collected all summer at the MCCC farm.</p>
<p>(iii) The community college provides, supports, or participates in programming to promote successful transitions to college for traditional age students, including grant programs such as talent search, upward bound, or other activities to promote college readiness in area</p>	<p>Monroe County Community College is the proud recipient of three TRiO Upward Bound grants. Upward Bound is a program funded by the U.S. Department of Education that prepares high school students for post-secondary education. Established in 2007, Monroe County Community College Upward Bound serves 170 students, grades 9-12 from Monroe High School located in Monroe, Michigan; Airport High School located in Carleton, Michigan; and Jefferson High School located in Monroe, Michigan. Upward Bound is a challenging, preparatory program for students who demonstrate the ability or desire to attend college. All program services are free for participants.</p>

high schools and community centers.	
(iv) The community college provides, supports, or participates in programming to promote successful transitions to college for new or reentering adult students, such as adult basic education, GED certificate preparation and testing, or recruiting, advising, or orientation activities specific to adults.	<p>Monroe County Community College is a partner in the Monroe County Learning Bank Network, which is a public/private partnership of 12 community organizations and businesses that provide adult basic education and GED preparation for adults in order to transition them into higher education, and/or employment and training opportunities. In addition, The Learning Bank Network offers a host of related services, such as group and individual tutoring, career counseling and advising; skill-building seminars in college and career success; courses in financial literacy, parenting and other life skills; and direct access to employers for internships, career exploration and possible jobs.</p> <p>MCCC works in partnership with Bedford Adult Education by providing the ACCUPLACER Platform (college readiness test) testing for county residents. The ACCUPLACER is a series of basic skills assessments in English, Reading, and Math developed by The College Board and completed on a computer. The tests are used to place students in classes that match their abilities.</p>
(v) The community college has active partnerships with regional 4-year colleges and universities to promote successful transfer, such as articulation, 2+2, or reverse transfer agreements or operation of a university center.	<p>MCCC's academic divisions have a number of transfer agreements and direct articulation agreements with area colleges and regional universities including one that has a satellite campus onsite (Siena Heights University). The Associate Degree in Nursing, Respiratory Therapy, and Early Childhood Education programs maintain third-party accreditation, which significantly increases transferability of courses within those programs.</p> <p>Spring Arbor University relocated its Metro-Toledo site to MCCC's Whitman Center in July 2016. This partnership offers MCCC students and local residents convenient and affordable access to bachelor and master degree programs.</p> <p>MCCC participates in The Michigan Transfer Agreement (MTA) which is a valuable "single source" website that students, advisors and the public may use to check transfer equivalencies for courses among and between other colleges and universities in Michigan. It is sponsored by the Michigan Association of</p>

	<p>Collegiate Registrars and Admissions Officers (MACRAO) in partnership with a Michigan legislative committee.</p> <p>MCCC has a number of Baccalaureate Completion Agreements (2+2 agreements and 3+1 agreements). These serve as a guide for students to follow if they know where they want to transfer and also which major they are interested in. The bachelor completion agreements are designed for direct transfer into a particular program after earning a specific Monroe County Community College degree.</p> <p>MCCC has reverse transfer agreements with Eastern Michigan University, Grand Valley State University, Michigan State University, Ferris State University, and Western Michigan University.</p>
Category 3: Community Services	
<p>(i) The community college provides continuing education programming for leisure, wellness, personal enrichment, or professional development.</p>	<p>The Corporate and Community Services Division through their Lifelong Learning class schedule offers a wide variety of non-credit programs. The College averages over 4,000 total non-credit enrollments annually. The office of lifelong learning is credentialed to award Continuing Education Credits (CEUs) to K-12 and post-secondary employees.</p> <p>The Annual Nursing Forum provides 6 hours of CEUs for licensed nurses, every year. The program is open to any licensed RN or PN in the region as well as nursing students.</p> <p>The Monroe County Intermediate School District holds its all-district back to school in-service on the MCCC campus each year.</p>
<p>(ii) The community college operates or sponsors opportunities for community members to engage in activities that promote leisure, wellness, cultural or personal enrichment such as community sports teams, theater or musical</p>	<p>MCCC has numerous opportunities for community engagement including the College/Community Symphony Band and the Agora Chorale. Both performance groups are open to College students, high school students currently enrolled at MCCC in the Dual Enrollment program, and citizens from the community who have experience with instrumental or vocal music. In addition, the local community theater group, the Monroe County Community Players, uses the MCCC Meyer Theater for their productions.</p> <p>The MCCC Alumni Association hosts an annual Golf Outing that is open to the public and the College's intramural basketball</p>
