Vacation Donation Program

The purpose of the Vacation Donation Program is to permit an employee to donate paid vacation leave to a pool for employees to request to use as sick time for an extended leave when an illness or injury occurs.

Voluntary Donation of Vacation Time

Employees may voluntarily elect to donate a minimum of 8 hours of vacation time up to a maximum of 160 hours of vacation time per fiscal year (July 1 - June 30) to the Vacation Donation Program pool. The donation of vacation time is strictly voluntary and is an irrevocable decision. To donate vacation time, an employee must submit a Vacation Donation Program Donor Authorization Form to Human Resources.

The following employees groups are eligible to participate in the Vacation Donation Program: administrators (FT), professional staff (FT), and support staff (FT).

Criteria for Donating Leave

- 1) Employees may NOT designate the recipient of their donated vacation time. All donated time will be added to the Vacation Donation Program pool and distributed via the Program's Eligibility and Request Process.
- 2) The donating employee must be currently active on Monroe County Community College's payroll and been employed by MCCC for a minimum of one year (12 months) to be eligible to donate vacation time.
- 3) Donors may donate a minimum of 8 vacation hours up to a maximum of 160 vacation hours per fiscal year to the Vacation Donation Program pool.
- 4) Employees cannot borrow against future vacation time to donate.
- 5) Employees who are on an approved leave of absence cannot donate vacation time.

Request for Use of Vacation Time Pool

In order to request time from the Vacation Donation Program pool, an employee must be on an extended absence due to illness or injury and have exhausted all paid leave available.

The employee's need must arise from their own serious health condition. The time granted will count toward fulfilling the FMLA or Medical Leave period.

An eligible employee may be granted up to 240 hours within a 12-month period upon the recommendation and approval of their Supervisor and the approval of the area Vice President and the Director of Human Resources.

Eligibility for Use of Vacation Time Pool

The employee may request a donation from the Vacation Donation Program pool, providing the employee meets all of the following criteria:

- Employee must be employed at MCCC for at least one year (12 months).
- Employees must use all of their own sick, vacation, personal, and compensatory leave first, before donations are applied to their sick bank.
- Employee must be under a physician's care. Donated time will not be granted unless medical documentation is submitted.

- An employee's use of donated time shall cease upon being placed on long term disability.
- An employee is not eligible if receiving workers' compensation.
- If an employee returns to work before exhausting all donated time, the unused time will be returned to the Vacation Donation Program pool.
- Donated time cannot be used to pay back advances for the employee's sick or vacation leave.

Donation Request Process

- It is the employees' responsibility to contact Human Resources to begin the donation request process.
- Employee must submit a Vacation Donation Program Request to Use Form to Human Resources to be granted up to 240 hours within a 12-month period from the Vacation Donation pool.
