

2025-2030 Strategic Plan: Improving the Student Experience

For the complete strategic plan, go to www.monroeccc.edu/strategic-plan

Plan Outcomes

- Increase retention by a potential range of 9-13% over 5 years, after consultation with retention offices
- Establish and meet metrics for student achievement rates of goals (e.g., degree/certificate completion and transfer)
- Improve student and employee satisfaction surveys (e.g. Community College Survey of Student Engagement and climate surveys)

Goal 1:

Redesign the MCCC service-delivery model

DELIVERABLES

- 1.1** Migrate to a “one-stop shop” for students that includes student services and student success offices
- 1.2** Adopt cyclical campuswide student-first/service-delivery training
- 1.3** Define and publish departmental and positional roles w/public FAQ
- 1.4** Implement multiple accountability measures for attainment (post-SEM Works report)
- 1.5** Improve shared interdepartmental notes on students (discuss setup/access)
- 1.6** Adopt a new advising model based on best practices that
 - Is intrusive
 - Incorporates plans of study
 - Is developed by a cross-disciplinary team
 - Is informed by input from all stakeholders

Goal 2:

Improve transparency and employee communication

DELIVERABLES

- 2.1** Design and implement a participatory shared governance framework based on CLARUS report recommendations
- 2.2** Integrate Responsible, Accountable, Consulted and Informed (RACI) model into decision making based on CLARUS report recommendations
- 2.3** Deliver regular report-outs on strategic plan including operational plans enumerated in 2.5 detailing progress by executive leadership with mandatory employee attendance in a town hall setting at least once a semester
- 2.4** Enhance onboarding and exiting procedures based on CLARUS report recommendations, including a feedback loop of exit interview information
- 2.5** Develop, publish, implement and assess effectiveness of operational plans
 - 2.5a** Enrollment Management Plan
 - 2.5b** Facilities Management Plan
 - 2.5c** Campus Master Plan
 - 2.5d** Crisis Management Plan
 - 2.5e** Technology/IT Plan

 - 2.5g** Student Success Plan
 - 2.5h** Academic Program Development Plan

Goal 3:

Expand opportunities for student success and advancement

DELIVERABLES

- 3.1** Expand and promote credit for prior learning (e.g., advanced placement)
- 3.2** Provide comprehensive career services as recommended by the SEM Works report
- 3.3** Create and institute a new model for student goal setting and completion tracking that includes:
 - Developing and centralizing detailed sequential plans of study available for students for every degree offering
 - Laddering certificates into degree programs
- 3.4** Develop policy and procedure regarding grants that address:
 - Assessment of student impact
 - Sustainability plans for high-impact student initiatives
 - Management of grant activities (e.g. post-award management, implementation, budget, reporting)
