It utilizes interactive computer software and personalized on-demand assistance. Participation by the student is essential for success. Assignments and testing are administered via a web-based learning system. Students are required to access the Internet and their MCCC email to be successful in this course. (Note: MCCC offers students access to the Internet via open computer labs as well as a campus-wide wireless network.) Students should read FAQs before registering. http://www.monroecc.edu/scimath/Math%20Redesign%20FAQ Q.pdf
