MISSION

Monroe County Community College enriches lives in our community by providing opportunity through student-focused, affordable, quality higher education and other learning experiences.

VISION

Monroe County Community College will be recognized for our student-focused service, academic excellence, affordability, innovation, community responsiveness and student success.

CORE VALUES

These core values form our attitudes and guide our behavior:

Student-focus: Execute student-centered decision making

Excellence: Offer high-quality educational opportunities, programs and services

Accessibility: Offer ease of access to educational opportunities, programs and services

Affordability: Provide affordable educational opportunities, programs and services

Diversity and Inclusion: Celebrate the individuality and diversity of our students, community, nation and world

Respect: Practice equity and mutual respect

Stewardship: Manage our resources with efficiency and integrity to ensure the long-term health of the college and infuse responsible, sustainable and transparent practices throughout all operations and programs

Outreach and Engagement: Advance a culture of engagement and collaboration

Relevance: Offer relevant educational programs through innovation and responsiveness
