Award Criteria

ALUMNUS OF THE YEAR

The Monroe County Community College Alumnus of the Year Award was established by the MCCC Board of Trustees in November of 1996 to recognize and honor an outstanding alumnus who has made contributions to his/her career, community, and the College. Nominees must be past and/or present students who have earned 24 credit hours or more or past and/or present students who have graduated from Monroe County Community College.

The Selection Committee's decision will be based on the following four criteria:

1. Community Leadership

The nominee shall have demonstrated a record of community participation: public, private, civic, fraternal, religious, etc.

2. Service to the College Community

The nominee shall have demonstrated service to and interest in the College. This includes, but is not limited to, financial contributions and volunteer services.

3. Honors and Awards Received

This includes both personal and professional honors and awards received by the nominee.

4. Distinction in Nominee's Field

Such attainment may be evidenced by achievement or advancement in career, earned degrees or professional training, professional recognition, and/or outstanding contributions to the field of endeavor.

In the event of a tie in the selection process, being a member of the MCCC Alumni Association and/or graduate of Monroe County Community College may be used as tie-breaker.

For further information, contact the VP of Administration at Monroe County Community College at (734) 384-4206.
