Course Outcome Summary

Required Program Core Course

CAFE 102 Food Preparation and Cooking I
Soups, Stocks and Sauces

Course Information
Division                                      Business
Contact Hours                             Lecture 15, Lab 60
Total Credits                              3
Billable Contact Hours                     5

Co-requisite(or Prerequisite) CAFÉ 101 Intro to Culinary Arts and Food Service

Course Description
In modern foodservice, a thorough understanding of soups, stocks and sauce production is vital for the successful cook. Through daily lecture and production, students will learn the proper preparation of stocks, reductions, glazes and convenience bases. Roux and other thickening agents are taught with uses in sauce production. Soup classifications are taught and varieties of global soups and sauces are regularly prepared.

This course is a required core course for students pursuing an AAS in Culinary Arts and Foodservice Education

Program Outcomes Addressed by this Course:
Upon successful completion of this course, students should be able to meet the program outcomes listed below:
