Total Credits	3

Prerequisites

ENGL 090 and RDG 090 or qualifying scores on accepted placement tests

Course Description

This course is highly suggested for future elementary teachers but open to all students. The instructor assumes the students have not had previous formal music instruction. The course covers basic knowledge and skills needed to incorporate music into the regular classroom as well as methods of using music to enhance teaching of academic subjects.

Course Outcomes

In order to evidence success in this course, the students will be able to:

1. Identify music notation.
2. Recognize uses of music in the elementary classroom.
3. Recognize values of music in elementary education.
4. Demonstrate the ability to play a simple melody on the recorder.
5. Demonstrate the ability to read music.
6. Demonstrate the ability to teach a rote song.
7. Demonstrate the ability to teach a listening lesson.
8. Demonstrate the ability to teach a musical game.
9. Demonstrate the ability to contribute musically to group activities while working productively with others.
10. Demonstrate the ability to incorporate music into an academic lesson.
11. Demonstrate the ability to react aesthetically to musical experiences.
12. Appreciate the value of music in elementary education.
13. Communicate in a positive manner about his/her ability to understand and use music in his/her daily life.
14. Acknowledge competent and productive work as part of a team effort.
