The La-Z-Boy Center & Meyer Theater

The La-Z-Boy Center is Monroe County Community College's state-of-the-art theater complex and corporate training facility.

The La-Z-Boy Center houses the 575-seat Meyer Theater, which is surrounded by a rehearsal hall, dressing and make-up rooms, and scene shop. The complex also has six multi-use training rooms, a computer classroom and a multi-use lecture hall. The facility is complemented by a large atrium and a full culinary kitchen. The offices of the college's Division of Corporate and Community Services are located in the La-Z-Boy Center, as well as the Board Room.

The La-Z-Boy Center provides exciting opportunities for students and the community and is flexible enough to respond to three different and equally important needs – cultural arts programming, customized training for business and industry, and unparalleled space for community activities and conferences.
