

J A N. 18 — M A R C H 4, 2021

The Monroe County Community College (MCCC) Art Club initially formed in the winter of 2019 as a small group of artistically inclined students dedicated to hosting on-campus fundraising events, taking field trips to art galleries/museums and preparing for its inaugural show in the summer of 2020 at the IHM Motherhouse. COVID-19 threw the entire world's plans off course, and the club's exhibit was rescheduled.

Monroe County Community College Art Club Exhibit

The club's inaugural show is comprised entirely of student-made artwork and aims to celebrate the diversity of artistic style and media present at MCCC. Art on display ranges from sculpture to stylized illustration to fine art across a variety of media including digital, watercolor, marker, colored pencil, graphite and painting, both acrylic and oil.
