Last Name	First Name	Student ID #	
Address (include apt. #)	City	State	Zip Code
Phone Number	E-mail Address	Date of Birth	

The definition of legal guardianship does not include your parents, even if they were appointed by a court to be your guardians. You are also not considered a legal guardian of yourself. In each situation, the court must be located in your state of legal residence at the time the court's decision was issued.

On the FAFSA application, you answered YES to **either** of the following situations. Please check the box below and attach documentation for your situation:

- ☐ **Emancipated minor:** I can attach a copy of the court's decision that as of today I am an emancipated minor, or was an emancipated minor immediately before I reached the age of an adult, in my state of legal residence.
- ☐ **Legal Guardianship:** If you are currently in legal guardianship, please attach a copy of the Letter of Guardianship or if you were in legal guardianship before you reached the age of an adult in your state, please attach a copy of the court's Order of Discharge from Guardianship.
- ☐ Neither situation applies to me and I will correct my FAFSA by answering **No** to either question and provide parental information.

I certify that all the information on this worksheet is complete and correct.
