STUDENT PROFILE DATA
FALL 2019

Table of Contents

Summary

Over the past two years, MCCC has experienced a decrease in total enrollment by 10.6% (2,943 students in Fall 2018 to 2,630 students in Fall 2019). The greatest driver of this decrease is among First Time In Any College (FTIAC) students, where enrollment declined 18.2% (737 students in Fall 2018 to 603 students in Fall 2019). The number of students re-enrolling at MCCC decreased by 15.4% from Fall 2018 (345 students) to Fall 2019 (292 students), contributing to the overall decrease in enrollment. Another driver is a decrease in the number of students from out of state (57 students in Fall 2018 to 45 students in Fall 2019; 21.1% decrease). However, the decrease in out- of- state students over Fall 2018 to Fall 2019 is less than what was recorded for Fall 2017 to Fall 2018 (27.8% decrease). There was also a 23.1% decrease in the number of students ages 41-50 from Fall 2018 (143 students) to Fall 2019 (110 students).
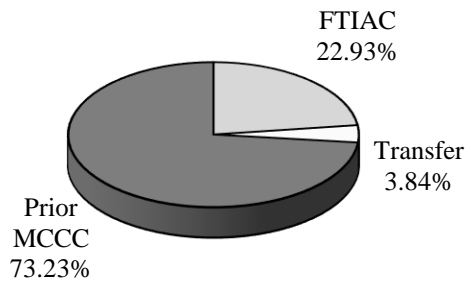

Ida, Summerfield, Monroe, and Jefferson graduates continue to represent the greatest percent of enrollment at MCCC, compared to other Monroe County High Schools. Although only 18% of all 2019 Monroe County High School graduates are currently enrolled at MCCC, 42% of all 2019 graduates have been enrolled either formerly (as dual-enrolled students), currently, or both. Contributing to the decrease in overall enrollment, the Dual Enrollment program enrollment at MCCC decreased by 10% from Fall 2018 (724 students) to Fall 2019 (655 students). This decrease is proportional to the overall enrollment decrease, where dual enrollment students continue in Fall 2019 to comprise 25% of total enrollment, as was reported in Fall 2018.

Notable highlights from the Fall 2018 to Fall 2019 report are as following:

- 4% increase in Whiteford graduates enrolled at MCCC
- Increases in enrollment in the following programs, by academic divison:
  - **Health Sciences**
    - Phlebotomy Technician Certificate
    - Practical Nursing Certificate
    - Pre Practical Nursing
  - **Business**
    - Accounting
    - Computer Science
    - Cybersecurity and Information Assurance
    - Graphic Design- Digital Media
  - **Applied Science and Engineering Technology**
    - Electrical Engineering Technology
    - General Technology
    - Mechanical Design Technology
    - Nuclear Engineering Technology
  - **Mathematics and Science**
    - Early Childhood Development
