

STEPS TO SUCCESS FOR STUDENTS WITH DISABILITIES AT MONROE COUNTY COMMUNITY COLLEGE

TIMELINE

TASK

COMPLETE NOW	Complete an application for admission to the college. Can be done on-line for no fee at www.monroeccc.edu
COMPLETE NOW ***Please bring a picture I.D. when coming to test. Remember test preparation is highly recommended! See below for test prep websites.	Submit SAT scores of 470 or higher for EBRW and a 460 or higher for Math, ACT score of 18 or higher in reading and writing and a 20 or higher in math OR take the MCCC placement test in reading, writing, and math. When taking the test without accommodations please call the RCTC lab at (734) 384-4255 for available hours. This test is NOT timed and all students are allowed the use of a calculator .
COMPLETE NOW ***The only accommodation available for the placement test is the use of a reader.	If you will be requesting an accommodation for the placement test, please call Disability Services at (734) 384-4167 to schedule an appointment with a counselor. You should bring any available documentation of your disability to this appointment.
COMPLETE NOW ***The start date for filling FAFSA is now October 1 st .	Complete the FAFSA form for federal financial aid eligibility at www.FAFSA.gov - The MCCC college code is 002294 . You may call the Financial Aid office for assistance at (734) 384-4135.
January – March	Apply for college scholarships online by going to https://monroeccc.academicworks.com/opportunities The application deadline is March 1 st .
April ***Bring any available documentation of your disability, if not already provided. Please call (734) 384-4167 if clarification is needed.	After taking the placement test, please schedule an appointment with a Disability Counselor to review your scores, determine a semester schedule, and arrange for any classroom accommodations. A reduced course load may be recommended by the counselor.
Before High School Graduation	Consider registering with Michigan Rehabilitation Services located at 903 S. Telegraph Road, Suite B Monroe, MI 4816 or by calling (734) 241-2440.
April – August ***Registering Early is Recommended!	Register for your college classes either on-line or in-person. The counselor will provide you information regarding open registration.
Before Your Classes Begin	<ul style="list-style-type: none"> • Plan to attend “First Steps for Classroom Success”. This is a FREE workshop that will provide you with techniques for note taking, test taking, study tips, and what to expect the first day of college. • Plan to attend the mandatory New Student Orientation. This orientation will familiarize you with
