Online Career Training Programs

(Formerly Gatlin Education Services)

View the variety of open enrollment online programs at www.gatlineducation.com/mccc.

Classes are designed by a team of professionals from each respective field who work to provide the most effective Web-based learning experience available today. Instructors/mentors are actively involved in your online learning experience and respond to any questions or concerns, as well as motivate you to succeed. Each program includes a set of lessons and evaluations; grades are a combination of the instructor/mentor's evaluation of students' work and computer-graded tests.

How Gatlin online courses work:

- Begin when you wish
- You are assigned an instructor for one-on-one assistance
- Move at your own pace
- Your work is evaluated, and 70 percent proficiency is required for a certificate of completion.
- You should complete the course within 180 days, but you may request an extension if necessary.
- You will receive a certificate from MCCC upon successful completion.

Please call the Office of Lifelong Learning at 734.384.4127 to register and learn more about these programs.
