Creating with Cricut Design Space - (Virtual)

Learn how to use Cricut Design space to create T-Shirts, cards, and crafts. As a business owner who creates Farmhouse signs using Cricut, Kelley will show you many tips and tricks to help you become the best crafter you can. Class meets using Zoom to learn various techniques, including the following:

- Add text for T-shirts and vinyl
- Change the font, align text
- How to find free fonts on the internet
- Add shapes size, change the color
- Work with layers, grouping

We will create three projects including a T-shirt, card and vinyl to use as a template for a wood sign.

You will need to have a Cricut, access to Cricut Design Space, and it would be best to have a duel screen on your computer or watch the instructor on a tablet and create the project on your computer.

Mini-Mindfulness Workshop (Virtual)

Mindfulness involves acceptance, meaning that we pay attention to our thoughts and feelings without judging them—without believing, for instance, that there's a "right" or "wrong" way to think or feel in a given moment (UC Berkeley 10/15/19).

Join this virtual workshop and experience some of the possible benefits of mindfulness. Mindfulness has been shown to improve physical health; it can help relieve stress, lower blood pressure and improve sleep. Mindfulness may be helpful in dealing with COVID stress. This class will take place via Zoom. Login directions will be sent via email.
