**SENIOR CITIZEN SCHOLARSHIP**

Monroe County Residents age 60 or over qualify for a waiver of 50 percent of tuition charges. The amount seniors are required to pay, which includes all applicable fees, is indicated next to each class throughout the schedule.

**SNOW/EMERGENCY CLOSING**

When conditions are considered hazardous, the institution may close or postpone the opening of the college. Sign up for MCCC’s Emergency Notification System. A message will be sent to your phone or email address. As soon as we know, you’ll know. Visit the Safety Services area of the college’s website to register.

**SEMESTER SYMBOLS**

To register online, you will need to know which term your class meets. For this schedule, classes are in winter and summer term. Look for the symbol next to the course number to determine the appropriate semester.

**REGISTER EARLY! DON’T LET YOUR CLASS GET CANCELED!**

A minimum number of students is required to run each class and a decision to cancel a class is made several days in advance of the start date, so register as soon as possible. Waiting until the last minute to register for a class may be too late.

How to escape the do-it-all mentality and handle pressures when EVERYTHING is a priority. Discover your own strengths and how they will offset learned negative habits. Learn to control your own life again, let go of fear, guilt, and a painful past and communicate difficult feelings. Discover leisure time for you. By the end of the class, you will learn how to easily accomplish responsibilities plus regain the joy and fun of living again. Passing this style on to your children would be the best gift of all. Carolsue McCue has been teaching self-development seminars at colleges and universities for 30+ years and has many stellar reviews. She is also a frequent radio Q&A guest.

House Genealogy: Researching Your Home and Writing It's History
Have you ever wondered how old your home is? Who built it? Who's lived in it? Or its architectural style? Then this four-week course, which teaches the basics of researching your home and property and preparing a house history, is for you. Over the course of four weeks, you will learn the following:

Is my house historic...or just old? We'll begin with what makes something "historic" then moves on to an examination of regional architectural styles, conducting a building and site inventory, finding visual cues that help date buildings, discussing architectural nomenclature, and concepts such as integrity and significance and how they apply to historic buildings.

Using maps, historic photos and printed materials as research tools. This session focuses on the visual: Historic photos, bird’s eye view (panoramic) maps, Sanborn Fire Insurance maps, and aerials and the secrets they can reveal about the history of your home and its evolution.

The paper chase! Delve into public documents and government records. The class looks at how to construct a chain of title for your property using deeds, legal descriptions, plats and surveys, building and assessing records, and other information found in local public offices.

“And in the end.....” Now what? This session looks at how all the pieces of the puzzle fit together and how to put them into written form as a house history. Whether your home is 50 years old or 150 years old, if you’ve ever wondered about its history and past owners and how you might learn more – then this course is for you!

Herbal and Old-Fashioned Perennial Gardens
With minimal effort, these gardens will return year after year with breathtaking color, fragrances and flavors for a one-time investment. From a cottage garden, English garden, culinary patch or a single window box, you will learn how to design, plant, divide and grow. Also, a special segment is included on how to use what you’ve grown, including wreaths, food, teas, potpourri, insect repellents, drying and other cozy tips and secrets from 50 years of experience you won’t find in the library. Carolsue McCue has been designing herbal and old-fashioned perennial gardens and using her harvest to enhance her family’s health as well as decorating for private homes, hotels and businesses.

An Introductory Workshop to Mini-Mindfulness
Mindfulness involves acceptance, meaning that we pay attention to our thoughts and feelings without judging them—without believing, for instance, that there is a “right” or a “wrong” way to think or feel in a given moment (UC Berkeley 10/15/19). Attend this workshop and experience some of the possible benefits of mindfulness. Mindfulness has been shown to improve physical health; it can help relieve stress, lower blood pressure and improve sleep. Mindfulness may be helpful in dealing with COVID stress.

FREE Math Boot Camp

MCCC is offering this non-credit Math Boot Camp for students and community members who need to review and improve their math skills. Basic arithmetic, such as working with whole numbers and integers, fractions, decimals and percentages, will be covered. Learning will further be enhanced through meaningful, real-world applications and problem solving. These applications will be fun and relatable to real life. We can help lessen your anxiety about math and build confidence in your abilities. The last week of camp will be devoted to review and preparation for the Accuplacer test. In addition, you’ll be exposed to STEM (Science, Engineering, Technology and Math) programs of study and careers.

Who should take the course?
- Students who score below the minimum Accuplacer test score required for placement into MATH 092 (Beginning Algebra) or Math 105 (Essential Math for College Students)
- Students who need to brush up on basic math skills to retake the Accuplacer test
- Anyone in the community who wants to improve their math skills

NEW! Ultimate Bucket List Board Workshop

If you want to make the most out of life and start living more intentionally, then this workshop is for you! Based on the latest principles of positive psychology, goal-setting techniques, accountability hacks, mental health boosters and personal development strategies, this workshop will set you on the path to:

• Create your personally meaningful bucket list
• Find more purpose, meaning and fulfillment in life
• Become a successful goal-achiever in every area of your life
• Experience personal and professional growth by finding joy outside your comfort zone
• Live a life filled with more fun, happiness and adventure
• Stop sleepwalking through life and reawaken that desire for more inside you

You will be presented with the 12 step M.Y.B.U.C.K.E.T.L.I.S.T. Blueprint formula. Every letter represents one specific category and together, they form a holistic and complete bucket list that will help turn you into a bucket lister and make you want to jump out of bed in the morning. Enough saying “tomorrow.” Here’s to taking your first step of action to live your best life today!

Passport to Retirement

With financial independence, retirement can be the most fulfilling time of your life. The Passport to Retirement workshop covers important money management concepts and educates attendees on how to potentially overcome the roadblocks to a successful retirement. Topics include defining and creating a retirement plan, assessing the costs of retirement, evaluating the sources of retirement income, investing for the future, protecting your health and wealth, receiving funds from retirement plans and managing your estate distribution. The class is taught by financial professionals; however, no products or investments will be promoted or offered. The fee includes a workbook. One workbook per registration is included in the cost. Spouse or partner may attend at no additional charge but must also pre-register.

Money Matters

A walkthrough of personal financial choices that allows you to keep more of your money. Learn how much you are really paying on your debts and how quickly you can turn things around with no extra income. Most households have enough income to survive with minimal use of debt. It is the debt that is trapping us from achieving financial freedom. Feel more in control of your finances by planning ahead: for living within your means, for saving for your future, for planning family vacations and fun, and even for emergencies. The class is taught by someone who followed this framework to become debt free and has many options leading to a happy, easy retirement. Class will include worksheets for realizing and mapping your way out of debt and for planning your spending, savings and investing. No products will be offered in class. Spouse or partner may attend at no additional charge but must also pre-register.

**Introduction to Drones**
Learn how to fly a drone for fun! This beginner’s course is designed with the drone enthusiasts in mind and includes everything you need to get started with drones. We will cover basic laws, safety, as well as flight controls and where you can fly legally. The instructor will teach you how to download photos and videos from the drone. You will need to bring a smart phone, as you’ll use it to control your drone (unless you buy a remote separately). If you bring your own laptop, the instructor will show you how to transfer the photos/videos as well. Students must sign a liability waiver prior to class. This is a hands-on flight training course, and a drone is included in the cost that you will keep. CEUs:

Meet Katie Valley, Registered Holistic Nutritionist

Katie Valley is a Registered Holistic Nutrition Practitioner and Certified Intuitive Eating Counselor with a Bachelor of Science degree in Public Health Education. She truly enjoys sharing her passion with others and her mission is to dispel the myths of diet culture and reinforce a holistic, health-focused approach to wellness. Through motivation and support through group coaching and one-on-one nutrition consultations, she helps others who are tired of dieting trends to eat intuitively, pursue TRUE health, and feel confident in their own unique body. After her own experience with disordered eating and poor body image, Katie found true healing by practicing Intuitive Eating and Body Acceptance, and now works with others to do the same.

Mindful Eating (Virtual)
Creating a Healthy Relationship with Food and Body
Are you tired of dieting? Do you ever wish you knew how to eat to support your health that doesn’t involve restrictive calorie counting and measuring? If so, this course is for you. Please bring a snack to class. Understand why dieting makes it more difficult to practice mindful eating. Learn about the hunger/fullness chart and emotional hunger vs. physical hunger.

Gentle Nutrition (Virtual)
Learn to make food choices that honor your health, but skip the perfection! Good nutrition is about what you eat consistently over time — that's what matters! In this class, you will learn about nutrition from a non-diet lens. Leave behind the all or nothing mindset that keeps us stuck, and embrace balance that is manageable, sustainable and enjoyable. In this class, you’ll learn how to:
• Avoid black and white thinking
• Make choices based on internal cues vs. external cues
• Understand hunger/fullness
• Learn about mindful eating
• Cope with emotions without using food

Intuitive Eating for Optimal Health (Virtual)
Diet culture surrounds us whether or not we realize it, and it often encourages us to start a new diet or weight-loss plan, as if being smaller will automatically make our lives better. And the busyness of today’s world doesn’t make it any easier to cultivate a good relationship with our food. Usually, we’re left with inadequate time to plan, prepare and pay attention to our meals. So we do our best — opting for the “healthier option” without considering whether or not we’re even hungry or what we’re actually craving. We follow rules about the timing and types of food we think we should be eating — and it’s easy to fall into a pattern of shame and guilt when we inevitably break these food rules. Enter, Intuitive Eating for Optimal Health.

Dental Assisting Program
Entry Level • Clinical Practice
This program prepares students for entry-level positions in one of the fastest growing healthcare professions. With the national increase in healthcare-related services, and the national shortage of healthcare professionals, the need for dental assistants is growing substantially. With a growing workforce over 300,000 strong, a career in dental assisting ranks as the fourth-fastest growing occupation in the healthcare technician field. The program prepares learners for entry-level positions as a chair-side dental assistant. The purpose of this program is to familiarize learners with all areas of administrative and clinical dental assisting focusing on the responsibilities required to function as an assistant in a dental practice. Externship included.

Pharmacy Technician Certification Program
Entry Level • Clinical Practice
The need for pharmacy technicians continues to grow with demand expected to increase substantially through 2024. Technicians work under the supervision of a registered pharmacist in hospitals, home infusion pharmacies, community pharmacies and other healthcare settings. This high demand for pharmacy technicians is the result of a multitude of factors, including the constant availability of new drugs, the national shortage of registered pharmacists, the establishment of certified pharmacy technicians and the aging population. Approximately 400,000 technicians will be employed by the year 2024 to meet our nation’s growing healthcare demands. This comprehensive course will prepare learners to enter the pharmacy field and take the Pharmacy Technician Certification Board’s PTCB exam. Externship included.

CrossFit
CrossFit is a core strength and conditioning program that delivers a fitness that is broad, general and inclusive by design. Our specialty is not specializing. Elements of track and field, gymnastics, weightlifting and strongman are combined in short, intense daily workouts to maximize results for any individual. Never done weightlifting or a pull-up before? No worries. In our introductory foundation classes, you will learn proper technique for movements and exercises that make up a typical CrossFit workout. We will also discuss other important topics such as stretching, mobility and nutrition.

Classes meet monthly at Light the Fire CrossFit at 428 S. Monroe Street in Monroe. Rates vary based on membership package.

Call the Office of Lifelong Learning at 734.384.4127 to register.

Mindful Movement Yoga

Malissa Whited is the owner/lead teacher of Mindful Movement. Malissa stepped on her mat over 25 years ago. It has become a beautiful, guiding force in her life. Her practice is an eclectic fusion of breath work, flowing asana, mindfulness, anatomy and storytelling. Her classes are educational, created with a therapeutic focus, and breath-centered. She shows multiple levels in her classes to allow her students to manifest an optimal experience in their minds, bodies and hearts. Experience: Malissa Whited B.S., E-RYT 200 has been a therapeutic style Yoga instructor for over 20 years. She is also a manual medicine therapist under Dr. Keith R. Barbour, D.O., and a blue belt in Brazilian Jiujitsu under Todd Williams. She has taught Yoga trainings, retreats and workshops in the U.S. and Internationally.

Yoga
Yoga is an ancient practice of mindfulness and connection. In an hour class, students will be led through various poses in a slow, dynamic way to cultivate more flexibility, strength and balance in their bodies. Breathing and meditation practices will also be incorporated to help calm the mind and release stress. Multiple levels will be shown in each class. Please inform your teacher of any ailments or limitations that you may have that would restrict your practice. Required materials: yoga mat, hand towel. Optional materials: yoga block.

Motorcycle Safety

As part of the Detroit Metro Motorcycle Safety Consortium, we offer hands-on, comprehensive motorcycle safety training in a safe and comfortable environment. Our classes are taught by professional certified instructors who not only have a passion for riding, but also riding safely.

Riding Gear & Requirements

- **Face Covering**: This can be a neck gaiter, kerchief (bandana), surgical mask, or homemade cloth mask with materials from a T-shirt, sock, scarf, etc.
- **Driver’s License**: Students under the age of 18 are allowed to provide a graduated driver’s license if they are least 15 years old; however, a parent or legal guardian must accompany the student on the first day of class.
- **DOT-certified Helmet**: Must be in good condition and appropriately fitted. Full-faced, open-faced, half, modular, off-road, and dual-sport motorcycle helmets are acceptable examples.
- **Eye Protection**: Required even with a face shield. Goggles, eyeglasses, sunglasses, and safety glasses are acceptable examples.
- **Long-sleeved Jacket or Shirt**: Must be long-sleeved and cover your wrists in the riding position. Denim jackets, leather jackets, long-sleeved cotton shirts and long-sleeved jerseys are acceptable examples.
- **Full-finger Gloves**: Must be appropriately fitted to allow for proper gripping. Leather motorcycle gloves and textile mechanic gloves are acceptable examples.
- **Pants**: Must be a durable fabric and reach your boots while in the riding position. Leather motorcycle pants, textile pants, and denim pants are acceptable examples.
- **Boots**: Must cover the ankle and have a hard sole (high-top tennis shoes and high heels are not permitted). Carpenter boots, military boots, and work boots are acceptable examples.
- **Rain and Cold-weather Gear**: Riding occurs in inclement weather, so please be prepared with appropriate clothing.
- **Pen or Pencil**: Don’t forget your writing utensil!

Additional Requirements

- **Age Requirements**: Students under the age of 18 are allowed to take the Basic RiderCourse or Basic RiderCourse 2 starting at age 15 if they have a graduated driver’s license. A parent or legal guardian must accompany the student on the first day of class, and his or her signatures will be required for the course waiver.
- **Availability**: You must be available and on time for each scheduled session or you may be denied admission.
Basic RiderCourse (BRC) - Web Enhanced / For Beginning Riders

This course is designed for someone who has little or no experience operating a motorcycle, and it focuses on the development of basic riding skills: clutch and throttle coordination, straight-line riding, braking, turning, and shifting. Training motorcycles are provided. Privately owned motorcycles are NOT permitted. The course also provides a fast track to a motorcycle endorsement; successful completion results in a certificate that waives the written knowledge test and riding-skill test, which would otherwise be administered by the Secretary of State and a third-party testing agency, respectively.

Instruction consists of approximately 18 total hours – 3 hours of online preparation to be completed prior to your class start date, 5 hours of classroom instruction, and 10 hours of hands-on training. Students need to be available, but not necessarily on-site, for all of Saturday and Sunday. Students are placed into groups during classroom instruction on Friday; those in Group A will ride in the morning (8 a.m.-1 p.m.), and those in Group B will ride in the afternoon (1 p.m.-6 p.m.). While we do our best to accommodate requests, please keep in mind that we cannot guarantee placement into either specified group. Please reserve any such discussions for your instructor on Friday.

Prerequisites: Ability to ride a bicycle; have a valid email address on file with the college. NOTE: Must complete the online eCourse prior to your class start date and bring the completion certificate to the first class session. The link to the eCourse will be distributed by the College via email at least one week prior to the start date of your class. If you have not received an email by this time, you must contact our office 734.384.4127.

Basic RiderCourse 2 (BRC2) / For Experienced Riders

This course is designed mainly for experienced but unendorsed motorcyclists; however, endorsed motorcyclists also use this course to refresh their skills. Topics include: braking, counter steering, turning, speed judgment, and other techniques necessary for the experienced rider to operate a motorcycle skillfully and safely. Students must provide their own motorcycle. Mopeds are welcome. Three-wheeled motorcycles are NOT permitted. Sharing is NOT permitted. The motorcycle must be titled, registered, and insured; and it must display a valid license plate. Students must provide proof of insurance, and the motorcycle must pass a safety inspection. The course also provides a fast track to a motorcycle endorsement; successful completion results in a certificate that waives the written knowledge test and riding-skill test, which would otherwise be administered by the Secretary of State and a third-party testing agency, respectively. Prerequisites: Prior motorcycling experience; ownership of a motorcycle that is titled, registered, and insured; and valid email address on file with the college.

Introduction to the World of Grants
Have you ever thought about learning how to write grants? It might be because you want to help your favorite nonprofit, or possibly your church, qualify for grants. Or, you might have considered grant writing as a possible career. By the way, that’s not a bad idea. Nonprofit organizations in Michigan employ over 450,000 people, making it the third-largest industry in our state. Whatever your reasons; if you want to learn more about grants, this is the workshop (seminar) for you. The instructor, Edward Wollmann, is a master grant writer with over 27 years of experience who loves to share his knowledge about all things grants-related with others. Want to learn more? No problem. Just register, and bring your curiosity and your questions. You will be glad you enrolled.

Grant Writing Training – Intermediate Level
The course consists of five grant writing sessions designed for intermediate-level students. These training modules are from the grant writing training workshops the instructor has been teaching at universities around the U.S. for the last 15 years. These sessions are very interactive, making them more meaningful for you! The topics to be covered include the following:

- The Four Types of Proposals in the Grants Universe
- The Anatomy of a Grant Proposal
- A Comprehensive Grant Development Process
- How to Develop Our Project Concept
- How to Create Effective Proposal Components
- The 12 Characteristics of a Great Proposal
- Prospecting for Funders in Our Back Yard

Entrepreneurship Suite
Take your ideas and turn them into a plan for a successful business. In this series, you will begin by writing a detailed business plan that will improve your chances of obtaining finances and provide you with a strategic direction for your company. Then, learn proven marketing techniques you can implement even with a small budget, types of financing options and where to find them, and how to build policies that will grow with your business. There are no prerequisites to take this course; however, you must have email capabilities and access to a personal email account. Instructional material requirements: The instructional materials required for this course are included in enrollment and will be available online.

Pesticide Applicator Certification Preparation and Basic Lawn/Turf Maintenance

This 30 hours of training will prepare you to sit for the Michigan Department of Agricultural & Rural Development (MDARD) Commercial Core and 3A Turf exams* and will provide the applicator with a basic knowledge and understanding of pesticides, how to handle and use them correctly, and to be able to protect themselves, others and the environment from misuse. A person who becomes a Certified Applicator is eligible to be employed as a pesticide applicator at a commercial lawn care business. Certification is through the MDARD via the passing of its examination process.

*Participants will be responsible for obtaining a commercial pesticide certification with MDARD by registering and paying for the exams ($75) upon completion of the training. Each examination requires a minimum score of 70 percent to pass. All exams are closed book. The questions are true/false and multiple choice.

GENERAL INFORMATION

Course Age Requirement
Unless otherwise stated in the class description, students must be 16 years of age or older to register for all Lifelong Learning classes.

Grades, Certificates of Completion and Transcripts
Upon successful completion of a course, a certificate and/or transcript may be furnished if requested by the student. Grading system for Lifelong Learning courses:

- **S** SATISFACTORY - the learner completed the course, meeting at least minimal expectations as outlined by the instructor.
- **N** NO GRADE - the learner did not meet the minimal expectations of the instructor or did not elect to complete work necessary for obtaining a grade.
- **W** WITHDRAW - the learner formally withdrew from the class.

Cancelation of Classes
The institution reserves the right to cancel or make changes in this schedule when deemed necessary. An attempt will be made to telephone students affected. You may inquire directly about your class status by contacting the Office of Lifelong Learning.

Refund Policy
If you find that you cannot attend a class after having registered for it, contact the Office of Lifelong Learning immediately to officially drop the course to be eligible for a refund. It is not the responsibility of your instructor to notify the office of student drops.

- **If the course or seminar is completed within 1-13 days,** students will receive a 100 percent refund when withdrawing prior to the day of the first class meeting. No refund will be issued to students who withdraw on the day the class is scheduled to begin.
- **If the course is completed within 14-63 days,** students will receive a 100 percent refund when withdrawing on or before the first scheduled day of class or the next immediate business day. Students withdrawing during the next two business days will receive a 50 percent refund of the tuition only. (Lab fees excluded.) No refunds will be issued after this time.
- **If the course is not completed until 64 or more days,** students will receive a 100 percent refund when withdrawing prior to class or within the first week* of classes. Students withdrawing the second week of classes will receive a 50 percent refund. No refunds will be issued after this time.

*The first week of classes for Lifelong Learning programs begins with the first meeting date and ends six calendar days thereafter.

Smoking Policy
Smoking and the use of all tobacco products is prohibited at the college and is subject to all applicable laws, including Federal and State “clean air” acts.

This tobacco-free policy prohibits the use of all tobacco products and includes use of all devices intended to simulate smoking, including electronic cigarettes and other similar types of devices.

Continuing Education Units (CEUs)
The primary purpose of CEUs is to provide a permanent record of the educational accomplishments of an individual who has completed a non-credit class. CEUs are especially important to those who seek to maintain a credential, such as a real estate license. One CEU is defined as 10 hours of participation in a planned continuing education experience organized under responsible sponsorship, capable direction and qualified instruction. CEUs do not apply toward college degree requirements.

COVID-19 NOTICE: Before attending class, please go to www.monroeccc.edu/coronavirus for the most up-to-date information on COVID-19 requirements at MCCC, including policies on masking. As of the publication of this schedule, facemasks are required in all campus facilities regardless of vaccination status.
Social Security Number Privacy Policy
The State of Michigan Public Act 454 of 2004 establishes regulations to help ensure the privacy of student Social Security numbers. This includes the proper use, disclosure and disposal of student Social Security numbers. Monroe County Community College will follow procedures to ensure that these requirements are met. For procedural information, please see the website at www.monroeccc.edu.

Disabilities
If you have a documented disability for which an accommodation may be appropriate, please contact Disability Services at 734-384-4167 for an appointment. Students must register with Disability Services each semester to receive accommodations.

Children on Campus
Children are not permitted in the classroom.

MCCC students, staff and visitors are absolutely prohibited from bringing children into the classroom or leaving children of any age on college property.

MCCC assumes no responsibility for the safety of children left on college property. Compliance with this rule is essential. There are no exceptions to the absolute prohibition against leaving children on college property.

Holds
Students who have outstanding tuition, library fines or other indebtedness to MCCC will not be allowed to register until the debt is paid. MCCC will not release a transcript if the student has a financial hold.

Credit Card Fees
A 2 percent convenience fee will be charged to the cardholder for credit or debit card payments. This fee is a portion of the cost to MCCC for accepting credit cards as a form of payment. MCCC does not profit in any way from this fee.

MORE ABOUT CAMPUS SAFETY SERVICES AT MCCC
At MCCC, we are serious about providing a safe campus for our students, employees and visitors; our security staff is comprised of individuals with extensive law enforcement and/or security experience and knowledge.

Our security staff has an excellent working relationship with local law enforcement agencies, including the Monroe County Sheriff’s Department and the Michigan State Police.

Both foot and vehicle security/safety patrols are conducted throughout the day and evening.

In addition to institutional safety procedures, students and staff are encouraged to be personally responsible for their own security as well as others and to report all suspicious activity.

Release of Liability and Assumption of Risk For Fitness Activities at Monroe County Community College

Our Fitness or Dance Courses

If you are taking any of the following classes, you must sign this waiver and submit it prior to the first day of class. Only one form (per person) is necessary per semester. A parent or legal guardian must sign for anyone under 18 years old.

I, the undersigned, in consideration of the use of physical fitness facilities at Monroe County Community College, declare and agree as follows:

- I acknowledge that all training and fitness/exercise activities carry with them the potential for personal property damage, personal injury, and death.
- I assume all risks of injury arising out of my participation in any college-sponsored fitness/exercise activity, including my use of any college-owned fitness equipment.
- I certify that I am physically fit and able to participate in fitness/exercise activities and have not been advised otherwise by a qualified medical person. I have received sufficient training for participation in any fitness activity and equipment use.
- I release and agree to indemnify Monroe County Community College and its trustees and employees from any and all liability, loss, damage, expense, or cost of any nature whatsoever for any and all claims that are known or unknown, foreseen or unforeseen, future or contingent, for personal injury or property damage arising out of fitness/exercise activities at Monroe County Community College.
- I agree that I shall not now or at any time in the future, directly or indirectly, commence or prosecute any action, suit or other proceedings against Monroe County Community College and/or its trustees and employees arising out of, relating to, or in connection with my use of any fitness equipment and/or my participation in any college-sponsored fitness/exercise activity.
- I consent to receive medical treatment which may be deemed advisable in the event of injury, accident, and/or illness during my participation in fitness/exercise activities at Monroe County Community College.
- I attest that I am of legal age to sign this form as a binding legal document in accordance with its intention.

I have carefully read this release of liability and fully understand its contents. I agree to assume all risks of injury associated with fitness activities at Monroe County Community College. I agree not to make a claim against Monroe County Community College if I am injured while using fitness equipment or engaged in fitness/exercise activities. I sign this agreement of my own free will.
