THE FOUNDATION  
at MONROE COUNTY COMMUNITY COLLEGE

#### FOUNDING PARTNERS

welcomes the following community sponsors, supporters and partners in our 2020 reading campaign:

## One Book, One Community of Monroe County

# calendar of events

**Mark your calendar!** The official kick-off of the 2020 One Book, One Community program will take place on Wednesday, March 11th, at 6 p.m. in the MCCC Atrium. The evening's events will include a water tasting table where participants will be able to use their palates to discern various types of water, as well as information tables and interactive stations featuring MCCC's Respiratory Therapy Student Club. The MCCC Writing Fellows will also be hosting their annual used book sale. Light refreshments will be available.

MSU Communications and Brand Strategy

At 6:30 p.m. guests will be invited into the Meyer Theater to view a special screening of the documentary, *Nor Any Drop to Drink*. Through the intimate stories of affected citizens, the film unflinchingly explores the consequences of extreme inequality, environmental injustice, neoliberal policy, and the failure of government. Dr. Cedric Taylor, writer, director, and co-producer of the film will host a discussion immediately following. Dr. Taylor is an Associate Professor of Sociology at Central Michigan University. He is also currently the president of the Michigan Sociological Association.

The evening will end with a drawing for an Echo Show 8.

We hope you can join us for an entertaining and educational evening sure to make you think about what's in your glass the next time you take a drink of water.

## March 9 – April 3, 2020
