COURSE DESCRIPTION	 This course covers properties of real numbers, solutions of first- and second-degree polynomial equations and inequalities, systems of equations and their graphs, basic properties of logarithms, complex numbers, basic right triangle trigonometry and laws of sines and cosines. The purpose of this course is to prepare students for the transition to college algebra. The complete Outline of Instruction can be found at http://www.monroeccc.edu/outlines/. 		
COURSE BEGINS	Wednesday, August 25, 2021		
COURSE ENDS	Monday, December 13, 2021		
Registration Process	 Students must register for the course through the College's regular registration process. If you are a first-time online student at MCCC you must complete an online orientation course (ONL-001). You will be automatically enrolled into the online orientation course, which will provide you with critical information on the technical, study, reading and writing skills necessary to be a successful online student. This course will be listed in your MyCourses module in Brightspace and there will be 4 modules to complete. Please note that all four modules will NOT be visible when you first login, but will become visible once you complete the requirements for each module. Please complete FL2021-ONL-001-L1 by August 21, 2021. Failure to complete the online orientation by the above date may result in de-registration from your Fall 2021 online course. 		
PROCTORED EXAMS OR ASSIGNMENTS	The student may test at any time of the day. The student is expected to send a scan or pictures of written test work immediately after the test is completed. See the syllabus for more detailed information.		
Additional Information: Proctored Exams or Assignments	Some online classes require students to take exams at authorized, proctored locations. Test proctoring centers are authorized testing locations where a staff person administers a test or assignment. If students are not able to arrange transportation to MCCC's main campus for testing, a proctored test site must be arranged. Students near the MCCC campus can take the test in the Testing Center. Additional information on the Testing Center can be found at https://www.monroeccc.edu/testing . It is the student's responsibility to make arrangements for proctoring with his or her instructor. Students should also be aware that some testing sites have service fees, which are the responsibility of the student.		
Course Materials and Textbook Information	Textbook information can be found on the MCCC Bookstore's webpage, <u>http://www.monroeccc.edu/bookstore/</u> . Textbook information is posted approximately one month prior to the beginning of the semester. <u>IMPORTANT</u> : Please ensure you are validating the entire course name and number when searching for and selecting books to purchase on the

Other Information			
Student Login Information	To login to Brightspace, E-mail, or WebPal , go to <u>www.monroeccc.edu</u> and click on CURRENT STUDENTS on the menu bar, then click on Brightspace, email, or WebPal from the links that appear on the left side of the screen. Brightspace - Login to Brightspace using your unique MCCC Webpal username (i.e., the first part of your MCCC email address) and 7-digit student ID number for your password (or whatever password you use for your MCCC college email account). You should be able to access Brightspace 24 hours after registering for a course. Courses are not available in Brightspace until the first day of the semester. E-mail - Your email address is your MyWebPal user name followed by @my.monroeccc.edu (i.e. jsmith12345@my.monroeccc.edu). Your password is your seven-digit student ID number (including leading zeros). WebPal - You need a WebPAL user ID and a password to access WebPAL. Your WebPAL user ID is usually your first initial and last name (i.e. Mary Smith = msmith). To find your user ID, click on " What's My User ID? " on the WebPAL home page. Your initial password is your six-digit birthdate (i.e. January 1, 1970 = 010170). After logging on the first time, WebPAL will ask you to change your password. If you are a returning student and can't remember your password, click on " What's My Password? " on the WebPAL home page, then choose " Reset my password. " If you have an e-mail address on file, WebPAL will send you a new password.
