| Tutoring<br>Information      | Trained student tutors and faculty specialists work with students both<br>individually and in small study groups. Student tutors are students who<br>are proficient in the courses they tutor and are recommended by their<br>instructors. Faculty specialists have credentials that are similar to those<br>of our faculty, and many have experience teaching at MCCC or other<br>colleges or universities. In general, faculty specialists have years of<br>experience helping students succeed.<br>Students who utilize tutoring services at MCCC can expect to gain a<br>better understanding of questions and/or concerns they have about their<br>coursework, suggestions for improvement, study strategies, insight into<br>instructor expectations and the understanding of how to link new material<br>with what they already know.<br>Tutoring is normally provided by appointment. Walk-ins are accepted, but<br>immediate tutoring is often unavailable. To make an appointment on the<br>Main Campus, call the Student Success Center at (734) 384-4167 or visit<br>the center in person located in the Student Success Center, Founders<br>Hall, Room F-148. Students can also make an appointment online at<br>https://tutor.monroeccc.edu/TracWeb40/Default.html   |  |  |  |  |
