ONLINE COURSE INFORMATION
Fall 2024 Semester

COURSE: HLTSC 250 L1
Health Sciences Capstone

INSTRUCTOR: N. Garner
EMAIL: ngarner@monroeccc.edu

There are many benefits of online courses at MCCC:
• Less restrictive scheduling
• Convenience
• Intensive self-study
• Course materials are accessible 24 hours a day 7 days a week

Some students struggle in an online format while other students excel. Students who excel in an online format are:
➢ Highly self-motivated
➢ Have strong computer skills
➢ Possess good time management skills
➢ Know how to study independently
➢ Possess good communication skills

Online classes at MCCC are NOT self-paced. Instruction is delivered in an entirely web-based format. Students must complete exams, assignments, etc. by specified due dates. Some exams and assignments may be required to be completed at an authorized location as established by the instructor.

When taking an online class students are responsible for:
• A reliable computer with Internet access and Microsoft Word; course specific software will be described below
• Knowing how to email attachments
• Maintaining his or her own computer and Internet connection; technical issues are NOT acceptable excuses for not keeping up with due dates
• Having access to a printer if needed for personal use of online materials

It is the student’s responsibility to log into Brightspace multiple times each week to keep up with communication, assignments and other coursework.

Brightspace
Online courses use Brightspace course management system as the means of communication between the students and the instructor.

It is the student’s responsibility to be able to log into Brightspace and maintain his or her computer setup to work properly with Brightspace.

The Brightspace Login can be found on the College’s webpage, www.monroeccc.edu. Brightspace courses are made available to students on the day the course begins. Please see the Start Date below.

MCCC Student Email
It is essential that online students use their MCCC student email account. This will be the primary means of email communication between you and your instructor. For more information about activating your MCCC student email account, visit the college’s webpage at www.monroeccc.edu.

| EXAMS OR ASSIGNMENTS | All exams and assignments will be completed online. |
| ADDITIONAL INFORMATION: EXAMS OR ASSIGNMENTS | Some online classes require students to take exams at authorized, proctored locations. Test proctoring centers are authorized testing locations where a staff person administers a test or assignment. If students are not able to arrange transportation to MCCC’s main campus for testing, a proctored test site must be arranged. Students near the MCCC campus can take the test in the Testing Center. Additional information on the Testing Center can be found at [https://www.monroeccc.edu/testing](https://www.monroeccc.edu/testing). It is the student’s responsibility to make arrangements for proctoring with his or her instructor. Students should also be aware that some testing sites have service fees, which are the responsibility of the student.

MCCC students completing online quizzes/tests or other assessment activities from home or other remote locations may be required to complete a room scan before the assessment activity. Students seeking an alternative to the pre-assessment room scan should contact MCCC Student Services at 734.384.4255 for more information regarding on-campus assessment options. |
