COURSE DESCRIPTION	A continuation of BIOL 257, this course covers the anatomy and physiology of the human endocrine, circulatory, respiratory, digestive, renal, and reproductive systems. This course is required for all students in the Health Sciences curriculum. Course requires laboratory work. Dissection of preserved animal specimens is required. The complete Outline of Instruction can be found at <u>http://www.monroeccc.edu/outlines/</u> .		
COURSE BEGINS	Monday, May 10, 2021		
COURSE ENDS	Saturday, July 17, 2021		
REGISTRATION PROCESS	Students must register for the course through the College's regular registration process. If you are a first-time online student at MCCC you must complete an online orientation course (ONL-001). You will be automatically enrolled into the online orientation course, which will provide you with critical information on the technical, study, reading and writing skills necessary to be a successful online student. This course will be listed in your MyCourses module in Brightspace and there will be 4 modules to complete. Please note that all four modules will NOT be visible when you first login, but will become visible once you complete the requirements for each module. Please complete <b>SU2021-ONL-001-L1 by May 7, 2021</b> . Failure to complete the online orientation by the above date may result in <u>deregistration from your Summer 2021 online course</u> .		
PROCTORED EXAMS OR ASSIGNMENTS	None, all coursework is completed online.		
ADDITIONAL INFORMATION: PROCTORED EXAMS OR ASSIGNMENTS	<b>Some</b> online classes require students to take exams at authorized, proctored locations. Test proctoring centers are authorized testing locations where a staff person administers a test or assignment. If students are not able to arrange transportation to MCCC's main campus for testing, a proctored test site must be arranged. Students near the MCCC campus can take the test in the Testing Center. Additional information on the Testing Center can be found at <u>https://www.monroeccc.edu/testing.</u> It is the student's responsibility to make arrangements for proctoring with his or her instructor. Students should also be aware that some testing sites have service fees, which are the responsibility of the student.		
Course Materials and Textbook Information	Textbook information can be found on the MCCC Bookstore's webpage, <u>http://www.monroeccc.edu/bookstore/</u> . Textbook information is posted approximately one month prior to the beginning of the semester. <u>IMPORTANT</u> : Please ensure you are validating the entire course name and number when searching for and selecting books to purchase on the
