There are many benefits of **Blended** courses at MCCC:

- Less restrictive scheduling
- Convenience
- Intensive self-study
- Course materials are accessible 24 hours a day 7 days a week

Since **Blended** courses require work on the computer using Brightspace, as well as classroom work, students should possess the following skills to be successful:

- Highly self-motivated
- Have strong computer skills
- Possess good time management skills
- Know how to study independently
- Possess good communication skills

**Blended classes at MCCC** deliver instruction in a web-based format, along with periodic face-to-face classes as established by the instructor.

When taking a **Blended** class students are responsible for:

- A reliable computer with Internet access and Microsoft Word; course specific software will be described below
- Knowing how to email attachments
- Maintaining his or her own computer and Internet connection; technical issues are NOT acceptable excuses for not keeping up with due dates
- Having access to a printer if needed for personal use of online materials

It is the student's responsibility to log into Brightspace on a regular basis. It is essential to log into Brightspace regularly to keep up with communication and assignments.

### Brightspace

**Blended** courses use Brightspace course management system as the means of communication between the students and the instructor, along with periodic face-to-face class meetings as established by the instructor.

It is the student's responsibility to be able to log into Brightspace and maintain his or her computer setup to work properly with Brightspace.

The Brightspace Login can be found on the College's webpage, [www.monroeccc.edu](http://www.monroeccc.edu).

**Brightspace courses are made available to students on the day the course begins.** Please see the Start Date below.

### MCCC Student Email

All students are required to use their MCCC sponsored student email address. Information on the MCCC student email can be found on the Student Support tab on the Brightspace site.

<p>COURSE DESCRIPTION</p>	<p>This course will advance the Licensed Practical Nurse into the Registered Nurse role. Building upon the foundation of the LPN certification, the course incorporates a holistic approach in the management of care for the adult patient while supporting the student's professional development and transition into the practice of registered nursing. Expanding nursing judgment, integral to the nursing process, will be emphasized as a means of facilitating care of the adult patient. Special focus will be placed on exploring the role of the professional registered nurse in providing safe quality care within a multidisciplinary health care team. During this course, clinical content will be applied utilizing case scenarios, a Community Aging Project, and the campus laboratory.</p> <p>The complete Outline of Instruction can be found at <a href="http://www.monroecc.edu/outlines/">http://www.monroecc.edu/outlines/</a>.</p>
