There are many benefits of **Blended** courses at MCCC:

- Less restrictive scheduling
- Convenience
- Intensive self-study
- Course materials are accessible 24 hours a day 7 days a week

Since **Blended** courses require work on the computer using Brightspace, as well as classroom work, students should possess the following skills to be successful:

- ➢ Highly self-motivated
- ➢ Have strong computer skills
- ➢ Possess good time management skills
- ➢ Know how to study independently
- ➢ Possess good communication skills

Blended classes at MCCC deliver instruction in a web-based format, along with periodic face-to-face classes or virtual classes as established by the instructor.

When taking a **Blended** class students are responsible for:

- A reliable computer with Internet access and Microsoft Word; course specific software will be described below
- Knowing how to email attachments
- Maintaining his or her own computer and Internet connection; technical issues are NOT acceptable excuses for not keeping up with due dates
- General Web Navigation, research and browser maintenance skills

It is essential to log into Brightspace regularly to keep up with communication and assignments.

Brightspace

Blended courses use Brightspace course management system as the means of communication between the students and the instructor, along with periodic face-to-face or virtual class meetings as established by the instructor.

It is the student's responsibility to be able to log into Brightspace and maintain his or her computer setup to work properly with Brightspace.

The Brightspace Login can be found on the College's webpage, www.monroeccc.edu. **Brightspace courses are made available to students on the day the course begins**. Please see the Start Date below.

MCCC Student Email
All students are required to use their MCCC sponsored student email address. Information on the MCCC student email can be found on the Student Support tab on the Brightspace site.

COURSE DESCRIPTION	This course incorporates a holistic approach in the management of care for patients with mental health problems while supporting the student's professional development. The student will use the foundation of the LPN certification. Nursing judgment and effective communication will be advanced utilizing the nursing process in providing safe quality care for patients with mental health needs. Students will focus on legal and ethical considerations including end of life, advanced directives, and informed consent in addition to mental health concepts. Students will investigate the psychosocial roles of patients and the effects of mental illness on these roles while applying their newly acquired knowledge of the RN scope of practice in the classroom, laboratory, and clinical settings. Clinical will be held weekly in the acute psychiatric care setting, select community settings, and campus laboratory. The complete Outline of Instruction can be found at http://www.monroeccc.edu/outlines/.

TUTORING INFORMATION	Trained student tutors and faculty specialists work with students both individually and in small study groups. Student tutors are students who are proficient in the courses they tutor and are recommended by their instructors. Faculty specialists have credentials that are similar to those of our faculty, and many have experience teaching at MCCC or other colleges or universities. In general, faculty specialists have years of experience helping students succeed. Students who utilize tutoring services at MCCC can expect to gain a better understanding of questions and/or concerns they have about their coursework, suggestions for improvement, study strategies, insight into instructor expectations and the understanding of how to link new material with what they already know. Tutoring is normally provided by appointment. Walk-ins are accepted, but immediate tutoring is often unavailable. To make an appointment on the Main Campus, call the Student Success Center at (734) 384-4167 or visit the center in person located in the Student Success Center, Founders Hall, Room F-148. Students can also make an appointment online at https://tutor.monroeccc.edu/TracWeb40/Default.html
