

## MCCC MISSION DOCUMENTS

### **Mission:**

***Monroe County Community College enriches lives in our community by providing opportunity through student-focused, affordable, quality higher education and other learning experiences.***

MCCC accomplishes its mission through:

- Post-secondary pathways for students who plan to pursue further education
- Occupational programs and certificates for students preparing for immediate employment upon completion
- Curriculum developed by highly qualified faculty that prepares students to effectively communicate, think critically, and be socially and culturally aware
- Comprehensive student support services
- A wealth of opportunities for intellectual, cultural, personal and career enhancement
- Training and retraining to meet the needs of an evolving economy
- Key partnerships to enhance educational services and opportunities

### **Core Values:**

These student-focused core values form our attitudes and guide our behavior:

- **Transformation:** Foster an environment where learners discover their potential, advance their future and positively impact their community.
- **Excellence:** Offer rigorous, high-quality, relevant, innovative and responsive educational opportunities, programs and other services that meet the needs of our students and community.
- **Accessibility:** Reduce barriers to entry and provide the resources and supports necessary for goal attainment.
- **Respect:** Encourage civil, intellectually honest, open and thoughtful dialogue from a variety of perspectives.
- **Collaboration:** Build productive and positive relationships among students, employees, and community and industry partners.
- **Stewardship:** Manage our resources with integrity and efficiency, infusing responsible, sustainable and transparent practices throughout all operations and programs.

### **Vision:**

**Monroe County Community College will be recognized for our student-focused service, academic excellence, affordability, innovation, community responsiveness and student success.**
