

**Business Division**

**2019-2020**

The associate of applied science degree with specialization in accounting is designed to provide practical and theoretical preparation for positions leading to supervisory and administrative assignments. In addition to completion of the required general education courses, students desiring the program designation on their transcript must complete the required core and specialized courses. This curriculum provides preparation for careers in business accounting departments and accounting firms.

**Career Opportunities**

Accounting remains one of the more sought after disciplines in the job market. According to Randstad USA, the median salary for a staff accountant position can start at \$55,000, and the demand for accountants is on the rise. Please see <https://www.randstadusa.com/workforce360/workforce-insights/2014-hot-jobs-finance-accounting/163/> for more information.

**Transfer Information**

An associate degree in accounting from MCCC offers easy transfer to many of the four-year programs in Michigan and surrounding states, such as the University of Michigan, Northwood University, Eastern Michigan University, Davenport University, Walsh College, University of Toledo, Siena Heights University and more.

For information regarding transfer opportunities for this, or any program, please visit the Transfer section of the MCCC website.

**Additional Program Highlights**

- All MCCC accounting courses are available in an online format, allowing for convenient access.
- Completing the first two years of a four-year accounting program at MCCC and then transferring the credits can result in savings of up to 75 percent of the cost of completing the entire program at a private institution.

**Certificate Program: Accounting**
