CRIMINAL JUSTICE -LAW ENFORCEMENT

Humanities/Social Sciences Division

This associate of applied science program prepares students for employment in law enforcement positions that require an associate degree and Michigan Commission on Law Enforcement Standards (MCOLES) certification (www.michigan.gov/mcoles) or transfer to baccalaureate programs in criminal justice or similar programs.

Students planning to transfer should consult both their Monroe County Community College advisor and the transfer school for assistance in selecting appropriate electives. Please contact the instructor of criminal justice at 734.384.4297 or danielwood@monroeccc. edu. This degree can be complete in an online format.

This program is also designed to transfer to institutions offering four-year degrees. There is a significant financial advantage in following this path. Monroe County Community College and several universities have articulation agreements that will maximize transferability. For more information regarding transfer opportunities for this, or any program, please visit the Transfer section of the MCCC website (www.monroeccc.edu/transfer).

2021-2022

Credits

19-20

Certificate Program: Security

We recognize that many employers place value on a certificate, which authenticates specialized education preparation. The criminal justice certificate program in security allows students to take courses in reparation for a career field who may not want the complete degree but can later apply them to the degree. The security certificate program concentrates upon basic core courses with objectives, with a focus on private security. All courses taken in the certificate program are applicable towards the associate of applied science degree in criminal justice.
