VERIFICATION OF COMPLETED PRACTICAL NURSING PROGRAM

PRE-APPLICATION REQUIREMENTS

Verification forms must be submitted to the Admissions & Guidance Services Office (Warrick Student Services Bldg, Room S-101 or via email: admissions@monroeccc.edu) by the first Monday in June

Note: Students accepted from the June application will start Practical Nursing courses the following winter semester. The program’s plan of study allows students one semester to concentrate on non-nursing required courses prior to starting the nursing sequence.

If the requirements listed on this form are not completed by or submitted to the Admissions Office on or before the application deadline, your application will not be considered. Students are strongly encouraged to review program information located in the MCCC College Catalog and the application packet, and the Practical Nursing Student Information Handbook prior to applying to the program.
